

THIRTY-SEVEN G. O. P. MEMBERS OF NEW SENATE AGAINST PEACE LEAGUE

Approve Resolution Read in Chamber By Senator Lodge—Is Sufficient Number to Block Ratification of Peace Treaty—Sherman and McCormick Among the Signers.

WASHINGTON, March 3.—Names of thirty-seven Republican members of the new senate a number sufficient to block ratification of a treaty, were read in the senate tonight by Senator Lodge of Massachusetts, who said he had approved a resolution stating that "the constitution of the league of nations in its form now proposed to the senate conference should not be accepted by the United States."

The list was inserted in the record by the Republican leader. Senator Lodge said that he had introduced the resolution which he had introduced after long conference with minority members and communication by telegraph and telephone with Republican senators and senators-elect who were not in Washington.

While opposing the constitution, he now drafted the resolution to the effect that it was the desire of the senate that the nations of the world should unite to promote peace and general disarmament.

It also said it was the sense of the senate that "the negotiations in the part of the United States should immediately be directed to the utmost expedition of the present business of negotiating peace terms with Germany" and that the league proposal should be taken up for careful and serious consideration.

Senator Lodge requested unanimous consent for the immediate consideration of the resolution. Senator Martin of Virginia, Democratic leader, and Senator Swanson of the same state, joined in simultaneous objection and the resolution went over under the rules.

Unable to secure consideration of his measure, Senator Lodge read the names of 37 members of the next senate which will consider the peace treaty, who the minority leader, said, favor his resolution.

Names On List.
The Republican senators and senators-elect whose names were in the list read by Mr. Lodge were:

Senators Lodge, Massachusetts; Knox, Pennsylvania; Sherman, Illinois; New Indiana; Moses New Hampshire; Wadsworth, New York; Fernald, Maine; Cummins, Iowa; Warren, Wyoming; Watson, Indiana; Sterling, South Dakota; Frelinghuysen, New Jersey; Harding, Ohio; Hale, Maine; Borah, Idaho; Brandagee, Connecticut; France, Maryland; Curtis, Kansas; Spencer, Missouri; Townsend, Michigan; Johnson, California; Dillingham, Vermont; Lenroot, Wisconsin; Poindexter, Washington; Sutherland, West Virginia; Smoot, Utah; and Grona, North Dakota.

Senators-elect Edge, New Jersey; Keys, New Hampshire; McCormick, Illinois; Phipps, Colorado; Newberry, Michigan; Ball, Delaware.

The twelve Republicans of the new senate whose names were not in the list are:

Senators Holt, Rhode Island; Call New Mexico; Jones, Washington; Kellogg, Minnesota; Kenyon, Iowa; LaFollette, Wisconsin; McCumber, North Dakota; McNary, Oregon; Nelson, Minnesota; and Norris, Nebraska, and senators-elect Capper, Kansas and Elkins, West Virginia.

Senator Lodge is reading the list said that "in justice to three or four others, I ought to say that we have been unable to reach them, but if they give their approval their names will be added."

Several Republican senators refused to sign the list it was said some because they did not believe the resolution went far enough.

The statement to which the senators names were appended follows:

"The undersigned senators of the United States, members and members-elect of the 66th congress hereby declare that, if they had had the opportunity, they would have voted for the following resolution."

Then followed the text of the resolution.

Senator Lodge's Resolution

Senator Lodge's resolution follows:

"Whereas, Under the constitution it is a function of the senate to advise and consent to, or dissent from, the ratification of any treaty of the United States and no such treaty can become operative without the consent of the senate expressed by the affirmative vote of two thirds of the senators present; and,

Whereas, Owing to the victory of the arms of the United States and of the nations with whom it is associated a peace conference was convened and is now in session at Paris for the purpose of settling the terms of peace; and,

"Whereas, A committee of the conference has proposed a constitution for a league of nations and the proposal is now before the peace conference for its consideration,

"Now Therefore, be it

"Resolved, By the senate of the United States in the discharge of its constitutional duty of advice in regard to treaties that it is the sense of the senate that while it is their desire that the nations of the world should unite to promote peace and general disarmament, and that the league proposal should be taken up for careful and serious consideration,

It is the sense of the senate that the negotiations on the part of the United States should be immediately devoted to the utmost expedition of the present business of negotiating peace terms with Germany

satisfactory to the United States and the nations with whom the United States is associated in the war against the German government and the proposal for a league of nations to insure the permanent peace of the world should be then taken up for careful and serious consideration."

revision of the league charter. They also pointed with emphasis to the declaration in the resolution that those favoring the Lodge resolution also were in sympathy with a movement for an agreement between nations to promote peace and disarmament.

Democratic leaders considered some action in the nature of a reply to the Republicans move. Chairman Hitchcock of the foreign relations committee it stated was considering addressing the senate on the subject. He pointed out privately that the resolution recited that the present league "should" not be accepted by the United States. Senator Hitchcock said that while the Republicans effort was to present a flat declaration of opposition to the present league constitution, the term used did not necessarily imply that they would vote against the present draft.

Pointing out that the constitution proposed merely is a committee report, Senator Swanson said the "resolution" and the Republicans endorsing it do not say they would defeat a final peace treaty containing the present league constitution."

While opposing the proposed constitution, the resolution would express the desire of the senate "that the nations of the world should unite to promote peace and general disarmament."

It also said the proposal for a league "to insure the permanent peace of the world should be taken up for careful and serious consideration" after the peace treaty had been concluded.

Senator LaFollette of Wisconsin Republican in an address begun shortly after two o'clock this (Tuesday) morning urged an immediate extra session of congress, "that the nations of the world should unite to promote peace and general disarmament."

Senator LaFollette said the president, if he failed to call a special session of congress immediately would be following the example of the "imperial autocrats" in Europe who refused freedom of expression to legislative bodies during the war.

Boise, Idaho, March 3.—After ten years of experiments the state of Idaho today gave up the direct primary system of nominations, and returned to the convention plan.

"Victory Loan" Bill Signed By President Wilson

WASHINGTON, March 3.—President Wilson tonight signed the "Victory Loan" Bill authorizing the treasury to issue \$7,000,000 in short term notes and providing \$1,000,000,000 for the use of the war finance corporation in stimulating the country's foreign commerce.

In a statement issued tonight coincident with the president's approval of the bill, Secretary Glass pointed out that under the act interest on both corporate and individual holdings of First Liberty Loan, converted, and second, third and fourth loan bonds, valued at not more than \$9,000 received on and after January 1, 1919, would be exempt from all surtaxes and excess and war profits taxes.

The secretary also called attention to the provision of the act authorizing conversion of bonds of the first Liberty loan, converted and four per cent bonds of the second loan into 4 1/2 per cent bonds.

GARVIN NAMED SUCCESSOR TO PALMER

WASHINGTON, March 3.—Francis P. Garvin of New York City was appointed tonight by President Wilson as alien property custodian to succeed A. Mitchell Palmer who becomes attorney general tomorrow.

Mr. Garvin has been director of the bureau of investigation in the custody of the office and has been largely instrumental in establishing enemy interest in many corporations over the country.

Mr. Garvin joined the forces of the alien property custodian as a war worker and since last June has served as director of investigations without salary.

Since graduating at Yale in 1897 Mr. Garvin has practiced law in New York. As an assistant under District Attorney Jerome he participated in many notable cases, including the sensational homicide case of Albert T. Patrick and Roland Molineaux.

ALLIED NAVAL LOSSES IN WAR

LONDON, March 3.—The Allied naval losses in the war aggregated 803,000 tons, according to an estimate sent by Reuters to the British press. Of this loss the British portion was 550,000 tons.

The central powers lost 455,000 tons, but the German total, which was 350,000 tons, does not cover the huge tonnage surrendered under the armistice terms. Commenting upon these estimates, the Westminster Gazette says:

"When we learn that in big ships alone we sacrificed thirteen battleships, three battle cruisers and twenty five cruisers, we get some notion of the tremendous character of the effort that was necessary to enable the enemy to emerge from the war vastly more powerful than it was at the end of 1914."

TWO SHOTS FIRED AT W. J. BURNS

New York, March 3.—Two shots were fired at William J. Burns, detective agency head, by a woman, as Burns was entering the waiting room of the Grand Central Station this afternoon. Neither shot took effect. The woman, who gave her name as Gertrude Wormworth, 27 years old of Brooklyn was arrested and later taken to Bellevue Hospital for observation of her mental condition. Burns said he did not know her.

SURPLUS OF COPPER WILL BE MARKETING

New York, March 3.—All the surplus government copper will be marketed for the government by the copper producers' association for a period not to exceed fifteen months by agreement with the director of sales of the war department according to an announcement made here today by the association which represents 90 per cent of the copper production of the country.

TAKE UP FOOD QUESTIONS

Copenhagen, March 3.—Marschall Foch has informed the German armistice commission according to a report from Berlin that negotiations regarding the food supply of Germany and financial and shipping questions will begin at Spa, Tuesday.

General Nudt, the representative of Marshal Foch at Spa, it is added has told the German armistice commission that the French government has decided to send a new mission to Berlin to study the question of food supply. The mission will be headed by M. Laquenin.

TRY COTTIN MARCH 14

Paris, March 3.—Emil Cottin, who recently shot and wounded Premier Clemenceau, will be tried by courts martial March 14. Captain Bouchardon, head of the Paris military court continued his interrogation of the premier's assassin this afternoon.

Cottin admitted that the attack had been premeditated for several months and declared that if he had not been stopped he would have reloaded his revolver and fired again.

CONGRESS SPENDS DAY DEBATING PEACE LEAGUE

Senator Sherman Attacks and McCormick Defends

WASHINGTON, March 3.—Without specifically endorsing the league of nations plan, Republican Leader Mann speaking today in the house declared the war would have been fought in vain if something was not done to prevent future wars. Democratic members of the house vigorously applauded this statement.

There seems to me to be quite a tendency on the part of many of my fellow Republicans," declared Mr. Mann, "not only to criticize the president for his part in reference to a league of nations, but to criticize the idea that the United States shall enter into any arrangement which may tend to prevent war in the future."

Representative Baer of North Dakota, attempted to say that Mr. Mann confined his criticisms to the Republicans, when as a matter of fact there was as much criticism "by one side as the other" in both senate and house.

Mr. Mann said he would not criticize anyone who had spoken on the league of nations.

In the senate the constitution was attacked by Senator Sherman of Illinois, Republican, and defended by Senator McCormick of North Dakota, a Republican member of the foreign relations committee.

Mann Opens Discussion.
Republican Leader Mann opened the discussion in the house. While not specifically endorsing the league plan, Mr. Mann declared the war would have been fought in vain if some move was not taken to prevent future wars.

His statement was applauded by the Democratic members. Later Representative Norton of North Dakota, Republican, who returned recently from Europe, voiced his approval of the league and praised President Wilson as the recognized leader in the movement for a world society.

In the senate today after Senator Sherman had spoken for an hour and made a sharp attack on the league and on President Wilson for proposing it, Senator McCormick made an address of more than four hours in which he took issue with the tenor of recent Republican criticisms. While suggesting amendment of the tentative charter the North Dakota senator urged that America join in a world peace agreement.

Senator McCormick's address drew criticism of the league from Senator Smith of Michigan, a Republican member of the foreign relations committee who retires tomorrow. The latter expressed apprehension over farming out our rights and criticized the proposed league as a "constitution of internationalism."

Senator Sherman's Speech

WASHINGTON, March 3.—The constitution of the League of Nations as presented at the peace conference was pictured by Senator Sherman today by Senator Sherman of Illinois, Republican, as a "Pandora's box full of evils" which would "empty upon the American people the aggregated calamities of the world."

Senator Sherman sharply criticized President Wilson asking who authorized him "to rear above the republic an autocratic power." He added that the authority was not to be found in the constitution of the United States nor was it implied from undefined sources and gave his opinion that the president had been acting either as "a usurper or a dictator."

"Shall we not ask with the dramatist," the senator said, "now in the name of all the gods at once, upon what does this caesar feed that he has grown so great?"

Attacks President.

"He adroitly maneuvers himself into the spotlight as the fountain of peace perpetuity and the guardian of our kind," Senator Sherman continued, "as he kept us out of war in 1916, so he will keep us out of impending war conjured up to serve the issues of 1920 and keep us at peace forever if we but accept him again. With him as the drum major of civilization, eternal peace, belting the earth and brooding like a gentle spirit over a still and credulous world proclaims the millennium is here."

Like his neutrality device was the preclude tone unprepared his peace league engages not in one war, but in all wars that scourge the earth. It is simple but deadly. Apparently an open covenant of peace it is masked charter of unceasing war; the voice of Mars, but the hand of Woodrow."

Of the proposed constitution.

Senator Sherman said it would set up an oligarchy of the worse possible sort, adding:

"If we cut the cables of constitutional government, we are caught in the irresistible tides that will sweep us into the maelstrom of the old world's blood currents. The feuds and snailshells of a thousand years will become our daily chart of action. All we know is that a few men

(Continued on page Four)

Security League Violates Corrupt Practices Act

WASHINGTON, March 3.—Failure of the National Security League to file an itemized statement of expenditures made during the last congressional campaign was declared a direct violation of the corrupt practices act in a report submitted to the house today by the special committee appointed to investigate the league's activities.

The report, which was read by Chairman Ben Johnson, was signed by six of the seven members of the committee. Representative Walsh of Massachusetts filed a minority report. While commending the league for having done a patriotic work, he criticized its officials for having been evasive while testifying before the committee. He also agreed that the league probably had violated the corrupt practices act.

This act provided, the majority report stated, that any political organization which endeavored to influence a congressional election in two or more states should file expense accounts with the clerk of the house of representatives. The committee asserted the league had taken a part in the campaign in nearly every state. It was charged in the report that the league was supported by the large interests of the country which made enormous profits as the result of the entrance of the United States into the war and that its plea of doing a patriotic work by circulating the so-called "acid test" chart showing how congressmen voted on important measures in recent years and other literature was only a mask behind which it could serve the big interests and protect them during the reconstruction period.

Lydecker Issues Statement

New York, March 23.—Col. Charles E. Lydecker, president of the National Security League, issued a statement here tonight declaring the country was "to be congratulated" upon termination by a special congressional committee of the "so-called investigation" of the league. Asserting that the investigation was conceived in error if not in malice and conducted with "third degree methods," Colonel Lydecker declared that "this remarkable congressional feat" had been "not an inquiry but a prosecution—a rare exhibition of political pique and office-holding bumpiness."

He declared that the league expected to continue its activities confident of the continued support of the intelligent and loyal press and of all honest citizens.

WHEAT GUARANTEE BILL PASSED

WASHINGTON, March 3.—The administration wheat guarantee bill was completed tonight with adoption of the conference report by the house and is now ready for President Wilson's signature.

The measure appropriates \$1,000,000,000 as a revolving fund for the purchase of wheat and authorizes the president to create an agency or agencies for purchase of the 1919 crop at the guaranteed price of \$2.26 a bushel and to release in the agency or agencies the authority to control all commerce in wheat products. An amendment offered by the senators from the cotton states reducing the number of grades of cotton deliverable on future contracts from twenty to ten, was retained in the bill.

INVESTIGATIONS WILL BE CONTINUED

CHICAGO, March 3.—Lieutenant Commander Chester S. Roberts, executive officer at Great Lakes Naval Training Station, Great Lakes, Ill., this afternoon issued the following statement regarding alleged graft in connection at the station:

"The report of the naval intelligence has been received by the commandant and bears out the statements made for newspapers Sunday March 2 in that it was simply a petty graft practice by a few enlisted men on the station. Moscowitz and Glaser were ordered back to active duty February 28 for investigation. Of the five men held at Great Lakes four are accused of paying money for discharges and the other of accepting money."

Thousands Seek Admission

Altho the committee in charge of the meeting already has mailed out tickets for all the 3,946 seats in the Metropolitan, letters and telegrams requesting seats continued to pour in today and it was estimated that two tons of mail was still unopened. More than 300,000 applications have been received.

District Attorney Swann detailed a large number of detectives today to run down speculators who he was informed, had obtained more than 400 tickets and were offering them for sale at \$50 each and in some cases more.

On leaving the opera house the presidential party will go by automobile to Hoboken where the transport George Washington will be in waiting. The president will spend the night on the steamer, which is to sail Wednesday morning. The George Washington has been equipped with wireless telegraph apparatus to talk directly with Washington until he is half way across the Atlantic.

STANDARDIZATION OF HOSPITALS RECOMMENDED

Chicago, March 3.—Standardization of hospitals and of requirements and to practice nursing were recommended at a congress here today of members of the council on medical education of the American Medical Association, the Federation of State Medical Boards, the Association of American Colleges. During the congress the delegates will discuss ways and means for war reconstruction of medical colleges and hospitals, which will be presented to the American Medical Association at its annual meeting in June.

WILSON READY TO BEGIN RETURN TRIP TO PARIS

To Address New York Audience Tonight On League

WASHINGTON, March 3.—President Wilson tonight was ready to begin the return journey to the peace conference having transacted in the seven days of his stay in Washington all pending public business except such as will engage his attention at the capital in the final hours tomorrow of this congress. Immediately after adjournment he will leave for New York on his way to Paris.

Working at top speed on the full day available to him in the capital the president cleared his desk sufficiently to get out for a walk this afternoon with Mrs. Wilson, tramping briskly thru matinee crowds and homegoing war workers. Large crowds followed them and finally the police had to intervene as the police impeded. Several times the president stopped to speak to wounded soldiers.

After opening the conference of governors and mayors this morning, President Wilson had his time clear for correspondence and the signing of bills until shortly after noon when he received a new ambassador from Argentina, Dr. Thomas A. Lebrun, who presented his credentials. Later he received a delegation representing farmer organizations who promised to support the league of nations and suggested amendments to the constitution. Secretaries Baker, Daniels and Houston called at the executive offices this afternoon and tonight A. Mitchell Palmer, who becomes attorney general tomorrow conferred with the president.

Among the bills signed today by the president were the rivers and harbors appropriation bill and the measure validating \$2,700,000,000 worth of informal war contracts.

Plans for the president's departure tonight remained unchanged. He will go from the capital to the train. Arriving in New York about 8:30 p. m., he will go direct to the Metropolitan Opera House to speak on the league of nations.

Speaks in New York Tonight.
Plans were completed here today for the reception of President Wilson tomorrow night, when he will speak from the same platform with former President William Howard Taft in advocacy of the league of nations, before sailing again to take his work at the peace conference. The president will arrive at the Pennsylvania Station at 8:15 p. m. and will proceed to the Metropolitan Opera House where he is to speak. The president will be met at the station by Cleveland H. Dodge and Abraham I. Elkus, former ambassador to Turkey. At least two sets of women pickets are planning to be on hand outside the Metropolitan when the president arrives. Alice Paul, leader of the National Woman's Party, announced that she will personally lead suffrage pickets with purple, gold and white banners demanding that the president call an extra session of congress to pass the woman suffrage amendment. The general Mooney committee of the Central Federated Union will have women workers before the building with banners demanding that the president act to bring about the release of Thomas Mooney.

At the opera house, the president will greet Mr. Taft in a private room. In this room also the president will receive a delegation of twenty Irishmen who will ask him to bring the matter of self-determination of Ireland before the peace conference.

Following the singing of the Star Spangled Banner by Enrico Caruso, Governor Alfred E. Smith will introduce Mr. Taft who will speak first. The president will follow Mr. Taft.

Thousands Seek Admission.
Altho the committee in charge of the meeting already has mailed out tickets for all the 3,946 seats in the Metropolitan, letters and telegrams requesting seats continued to pour in today and it was estimated that two tons of mail was still unopened. More than 300,000 applications have been received.

District Attorney Swann detailed a large number of detectives today to run down speculators who he was informed, had obtained more than 400 tickets and were offering them for sale at \$50 each and in some cases more.

On leaving the opera house the presidential party will go by automobile to Hoboken where the transport George Washington will be in waiting. The president will spend the night on the steamer, which is to sail Wednesday morning. The George Washington has been equipped with wireless telegraph apparatus to talk directly with Washington until he is half way across the Atlantic.

SALOONS CUT DOWN

Panama, March 2.—The high license law which went into effect yesterday reduced the number of saloons in Panama from 680 to 100.

State and City Heads Discuss Reconstruction

WASHINGTON, March 3.—Governors of states and mayors of municipalities meeting today in the White House to discuss alleviation of unemployment heard President Wilson in a brief address emphasize the principle that the government should serve in the interest of common people. In this spirit he urged that the federal, state and local governments work together "steadily and wisely" in facilitating the whole labor processes of the United States.

After listening to addresses by Secretaries Wilson, Baker and Daniels the governors undertook to report on unemployment within their respective states. A majority declared that there were not enough men out of work in their communities to justify serious apprehension, altho all advocated immediate action by state, county and city governments to promote road building and other public works, thus furnishing a buffer reservoir of employment during the period when soldiers are being discharged and war industries are converting.

Most states already have adopted programs of road building it appeared, but several governors reported they had difficulty in convincing local authorities and private industries to go ahead with improvements now, without awaiting an expected reduction in wages and material costs.

Predict Labor Shortage

Secretary Wilson predicted an actual labor shortage within the next year instead of a surplus. To combat social unrest he urged industrial leaders to eliminate rapidly the extra profits of war times.

Secretary Daniels said he did not believe there would be general unemployment and suggested that many men would find jobs in navy yards. Secretary Baker declared the United States could do most good to the world just now by showing solidarity of governmental, social and business conditions.

The conference endorsed unanimously Secretary Wilson's declaration that men advocating overthrow of the government by force should be deported.

The reports by governors and mayors will continue tomorrow and the conference will last thru Wednesday.

Governor Sleeper of Michigan, discussing conditions in his state, told the conference that there had been few labor complaints and that wages had not been reduced. He suggested that high freight rates on road materials might tend to discourage road building at the same time the government is trying to promote it.

Lieut. Gov. Oglesby Speaks

Lieut. Governor Oglesby of Illinois pleaded for relinquishment by the government of extraordinary war powers and the restoration of private initiative saying the public needed a prompt decision on the government's future policy as to railroads and telephone and telegraph properties "so that people will know where they are."

Removal of so-called luxury taxes, expedition in settlement of war contracts and abandonment of the policies of giving publicity to "every little industrial dispute," were advocated. He told how Illinois planned an extensive program of road buildings as means of dealing with unemployment. In Illinois he said 40,000 persons are idle including 20,000 women.

OPINION RENDERED ON ESPIONAGE ACT

WASHINGTON, March 3.—While not passing directly upon the question of the constitutionality of the espionage act the supreme court in disposing of the petition of that statute today in effect held that the so-called enlistment section is not an interference with the right of free speech provided by the constitution.

"When a nation is at war," the court held in an opinion rendered by Justice Holmes, "many things that might be said in time of peace are a hindrance to its effort that their utterance will not be endured so long as men fight and no court could regard them as protected by constitutional right."

The opinion was rendered in sustaining convictions of Charles T. Schenk and Elizabeth Baer of Philadelphia, who were charged with attempting to interfere with army enlistments by sending thru the mails to men of draft age circulars discussing subjects relative to the war. The court also in effect sustained the convictions of Kate O'Hare in North Dakota, under the espionage act, by refusing to review her case and also the conviction of Abraham I. Sugerman of Minneapolis. Appeals from convictions under the espionage act of Eugene V. Debs, and Jacob Frohwerk of Kansas and Jacob Frohwerk of Kansas and Jacob Frohwerk of Kansas were not disposed of by the court today.

STORMY VOYAGE

Newport News, Va., March 3.—The U. S. S. Michigan arrived here today after a stormy voyage from France with about 1,000 troops, including the 105th trench mortar battalion of the 30th division, the first unit of that organization to reach home.

NEW MAP OF EUROPE RAPIDLY TAKING FORM

Many Changes Will Appear In Peace Treaty

PARIS, March 3.—(By The A. P.)—A new map of Europe is rapidly taking form, and within a week the frontiers of the old states will be largely defined as they are to appear in the peace treaty and the successive documents fixing territorial limits.

First in importance is Germany's western frontier bordering on France which assumes international significance as a barrier against renewal of the present war. Owing to the issues involved, final determination of this question is left to the council of the great powers, but in the meantime the tentative plans have been well advanced by the commission which coordinates reports on all frontier questions.

As it now stands the western frontier comes under three main heads—first, Alsace-Lorraine; second, the great iron and coal regions of Briey and Saar Valley and third, the extensive strip of German territory lying on the west bank of the Rhine from Palatinate northward. With respect to Alsace-Lorraine the present tendency is to make reversion of this section to France without any condition of plebiscite or otherwise.

It is now occupied by military forces under the armistice, and there is every indication that the occupation will become permanent.

The Briey-Saar Valley sections are chiefly important as furnishing iron, steel and coal on which Germany's military power was based and it is believed that the new line will definitely put an end to any further use of these sources of German power. Part of the Palatinate-Saar sections will become French by the return of Lorraine.

Views Differ.

The main difficulty has been over a large section of the Saar coal fields lying beyond Lorraine and within Germany territory. The present idea seems to be somewhat between annexation of that section and leaving it to Germany. According to this plan the northern Saar region would be neither French nor German but would occupy a position somewhat similar to the District of Columbia among the American states. It productive capacity undoubtedly would go to France but politically its three hundred thousand inhabitants would not be subject to conscription or military service either to France or Germany and would not elect delegates to the legislative body of either country.

This and other measures are being considered with the object of organizing the region so that Germany could not by a sudden rush exhaust turn its production to war uses.

Concerning the region along the west bank of the Rhine the present tendency is lowered toward the same form of sterilization which would render this important for Germany military use without giving it a doubtful political status towards either side. This probably would be accomplished by the same means as in the Saar region by making them independent of conscription or military service on either side and without legislative representation except some local form of self administration.

The plans relative to other frontiers, including those of the new Czechoslovakia, Rumania, Serbia and Greece and to the Greek acquisition in Thrace and Asia Minor are also nearing completion.

PLEA FOR LARGE BRITISH ARMY

London, March 3.—The regular military establishment of Great Britain never could or never ought to fall to the low scale of 1914 as it was not known what other powers were going to do. Winston Spencer Churchill, secretary of state for war declared in the house of commons today. Colonel Churchill was introducing the army estimates for the coming year.

THE MONROE DOCTRINE.

The Monroe Doctrine came into being nearly 100 years ago, but few people could definitely quote it. In answer to several requests here are President Monroe's words:

"The Monroe Doctrine" was enunciated in the following words in President Monroe's message to Congress, December 2, 1823:

"In the discussions to which this interest has given rise, and in the arrangements by which they may terminate, the occasion has been deemed proper for asserting, as a principle in which rights and interests of the United States are involved, that the American continents, by the free and independent condition which they have assumed and maintain and henceforth not to be considered as subjects for future colonization by an European power. We owe, it therefore, to candor and to the amicable relations existing between the United States and those powers to declare that we should consider any attempt on their part to extend their system to any portion of this hemisphere as dangerous to our peace and safety. With the existing colonies or dependencies of any European power we have not interfered and shall not interfere. But with the governments who have declared their independence and maintain it, and whose independence we have, on great consideration and on just principles acknowledged, we could not view any interposition for the purpose of oppressing them or controlling in any other manner their destiny by any European power in any other light than as the manifestation of an unfriendly disposition toward the United States."

HERE'S YOUR FINAL CHANCE

In another column the subscription list for the water supply fund shows subscriptions totaling \$119,150. The committee feels that the canvassers have done well and that the people have responded in a most earnest and generous way in supporting this project. A little more than \$5,000 is needed to complete the goal of \$125,000, and it is hoped that there may be voluntary subscriptions today. If you have not joined in this commendable enterprise for Jacksonville, get in your

subscription today. You have the opportunity of aiding this splendid movement and still earning a fair interest on your money. The committee is very desirous of closing up the whole subscription list today.

THE GERMAN WAR INDEMNITY.

One hundred and twenty billions is said to be the amount of the indemnity that will be fixed for Germany to pay the allied nations. Just a few days ago some statisticians figured that with fairly heavy taxation America would be able to pay off a war debt of \$25,000,000,000 in twenty-five years. So the job the Germans have is colossal. They must either have a back-breaking tax for fifty years or else spread the payments over a century or more. Certainly this is dividing up war burdens to posterity even beyond "the third and fourth generations."

NOTHING LIKE ASKING.

The superintendent of the Consolidated Railway in Springfield certainly has an aggressiveness worthy of any cause. Yesterday he sent a telegram to President Wilson asking him to appear before a conference of governors and admonish them that the street railway and interurban problem merited their best thought and most generous action. The superintendent's telegram said that the pitiable condition of traction lines was due largely to the inability to secure needed increases in fares.

With the president hammering away at congress to pass bills of immense importance before adjournment today, so busy that he limited his address to the governors to four minutes, and with plans all made to sail for Paris tomorrow, it is not likely that he is giving the troubles of the traction people very prayerful consideration. But at any rate the superintendent has tried.

TRYING TO REFORM.

East St. Louis, according to recent reports, is making a most vigorous effort to get away from the unenviable reputation that has come in recent years. Much of the ignominy that has come to the southern Illinois city was during the administrations of Mayor Mollman. He was a candidate in a primary contest last week and received less than 2,000 votes, while the successful candidate had the support of more than 10,000. Evidently the element that the mayor represents is no longer in the ascendancy.

THE PENALTY FOR WARM WINTERS.

Citizens as a rule, and with very good reason, have been congratulating themselves during the past months because the weather was so mild that they were enabled to get along with far less than the usual amount of fuel.

But "somebody is always taking the joy out of life" and now a

great shortage of ice is predicted for next summer. It is said for the first time in thirty-nine years that no ice has been cut from the lakes around Chicago for a distance of 100 miles up into Wisconsin. This means that ice will be scarce and scarcely doesn't tend to lower prices. The next thing some weather clerk will be predicting an exceedingly hot summer.

AUTHOR PLAN FOR HONORING SOLDIERS.

While many plans have been advocated for paying honors to soldiers with buildings and memorials, one of the most practical is seen in the tree planting campaign which has been undertaken by the residents of Bell county, Texas.

The Christian Science Monitor says that people in other parts of the country should find inspiration in what the Bell county people are doing. These thoughtful citizens have subscribed liberally to a fund which is being used to beautify the Temple-Belton Road or Victory Highway. At every interval of thirty feet a tree is planted on either side of the road, numbered and dedicated by the persons who plant it to some Bell county soldier who fought in the Great War, while a label on the tree gives the name and title of this soldier. With each tree are planted also two pecan nuts and two walnuts. If these produce seedlings, the owner of the tree may take his choice of these seedlings or the original tree. Here is a combination of patriotism, aestheticism, and utility. The Victory Highway will be useful as well as ornamental for generations to come. It will be sought by the tourist of the future not only for its beautiful shade, but out of sheer respect for the good taste and good sense of the people who designed and developed it.

Rippling Rhymes By Walt Mason

BILL'S WHISKERS
The wireless is cracking and crashing, conveying intelligence weird; from Holland the news comes a-flashing, that Wilhelm is raising a beard. He's sitting in sackcloth and ashes, from royal magnificence hurled, and finds that his well known mustaches won't hide all his face from the world. No wonder he wants to conceal it, to hide it away in the brush, where no one can see it or feel it, or greet it with growling or gush. His face has grown tired of men's chiding, with sadness it's seamed and it's seared; he's anxious to keep it in hiding, and so he is raising a beard. The winds through his whiskers are blowing, and sadly they chant in his ears; has always like milk-weeds are growing, he waters them well with his tears. He knows that his face is an error, a thing that is hated and feared; the children regard it with terror, and so he is raising a beard. His face is a painful reminder of U-boats, to murderers steered; to cover it up would be kinder, and so he is growing a beard. His face is considered immoral, wherever that mug has appeared; though whiskers be bristled or sorrel, he's wise in thus growing a beard. So hide in your whiskers, ex-kaiser, let barbers be flouted and jeered; for one like yourself it were wiser to crouch at the back of a beard.

MADE CORRECT GUESS.

Frank Rexroat, 159 Caldwell street was the only student who guessed the way the Basketball Tournament would finish. His guess No. 115, gave Jerseyville, first; Barry, second; Rushville, third, and Bluffs, fourth. Therefore he can receive a ten dollar silk shirt from Frank Byrns Hat Store.

THE WOMAN'S CLUB.

The Jacksonville Woman's club will hold its regular meeting at Academy Hall Saturday, March 8. Rev. J. F. Langton will make an address on the subject: "Catholics of France." There will be music by Illinois Woman's College Glee club. A social hour will follow the program and will be in charge of Mrs. C. W. Taylor and Miss Amelia DeMotte.

O. C. Ingram, manager of the Arnold Elevator Co., Arnold, was a visitor in Jacksonville Monday.

MUSICIAN'S BALL IS GREAT SUCCESS

One Hundred and Forty Couples Attend Second Ball Given By Musician's Union — Excellent Music Furnished and Many Encores Asked.

The second dance given by the Musicians Union in Knights of Columbus hall Monday evening proved even a greater success than the first.

One hundred and forty couples were present and the program as published in the Journal Sunday morning was carried out. The star orchestra of twenty pieces was at its best and many encores were demanded and given.

One feature about the dances that are given by the musicians is that many go and spend a few hours listening to the music which is of the highest quality. The musicians certainly are to be commended for giving dancers and music lovers such excellent entertainment.

The committee from the union in charge of arrangements is composed of Adam Ehrgott, Earl White and Wilbur Jeffries.

FINE PERCHERON

At J. W. Arnold's sale Thursday I will sell 1 coming 3 year old and 1 coming 4 year old pure bred Percheron stallions. They are dark grey in color, sound and bred right.

CHAS. M. STRAWN.

THE BAPTIST GUILD

The World Wide Guild of First Baptist church held a meeting Monday night at the home of Miss Carrie Spires on South Clay avenue. There was a large attendance of the members and the evening was very pleasantly spent. The devotional service was led by Miss Sleezer and then the subject of the evening, "Women of the Orient," was presented by Miss Jennie Turner. There was a vocal solo by Miss Anne Long and the program as a whole was very profitable.

All soldiers especially invited to hear Col. Dan Smith of "The Battalion of Death" at Centenary church tonight.

OUT OF THE SERVICE.

Joyce Masters, son of F. M. Masters, has returned to the family home in Lynnville precinct, having received his honorable discharge from the army service. Mr. Masters for a number of months past has been located at Houston, Tex. He was in the radio department of the service and for some time took special training at the University of Texas at Austin.

JUDGE LAYMAN HERE.

Judge M. T. Layman is down from Chicago for a few days and is at the Pacific hotel. Judge Layman still maintains his residence in Jacksonville but is spending a year in Chicago and is located not far from the home of his son-in-law, Rev. Clyde Hay.

All soldiers especially invited to hear Col. Dan Smith of "The Battalion of Death" at Centenary church tonight.

MT. ZION SUNDAY SCHOOL

MT. Zion Methodist Sunday school elected officers Sunday afternoon. Mr. Douglas Hunt, the efficient superintendent, was re-elected, as were also most of the former officers. The whole community is invited to come out and help make the coming year the best in the history of the Sunday school.

BULLETIN ON GAS ENGINES

Bulletin No. 1013, issued by the U. S. Department of Agriculture, is on the subject of practical hints on running a gas engine. A number of copies of this bulletin, which will be found of great value to those who operate engines, have been received by the Jacksonville Farm Supply Co. and can be had there for the asking.

TOO LATE TO CLASSIFY

FOR SALE—Five Jersey cows five years old, bred. Four heifer calves. Robert P. Nunes. Bell Phone 930-11. 3-4-19

THE HOOPESTON EXAMPLE

The news story about the Hoopston way of handling city affairs which appears in another column is well worth perusal. The \$1 a year plan has been followed there since 1879, and the result has been a city without a floating debt and with money on hand to meet all the obligations of the year.

This does not mean that the money saved in salaries has made the city rich, but it does mean that the salary saving has partially brought this result, and that the rest of the good work was done thru the spirit that the no-salary plan developed. The men have taken office there with the definite purpose in mind of giving the city the best service possible, recognizing that any contribution they made in this way was for their common good, that all the people shared.

They have taken mutual pride in securing the improvements for the city, in keeping it out of debt and in various ways making it stand out by contrast with various debt ridden communities. The officers who have served in Hoopston have no doubt gone on conducting their own private businesses just as before. They have done their part of the city work, just as they would join in any civic movement, but with no idea of compensation except their share of the general good.

That was the very idea that E. E. Crabtree had when he acceded to the wishes of his friends and became a candidate for mayor. He has not suggested anything revolutionary, nothing that is new, only the application of a public service principle to the local situation, and a situation which a little study of the facts will show calls for special disinterested service on the part of citizens in order to put Jacksonville on its financial feet. Hoopston has no debts and a bank balance of \$12,000. Jacksonville has no money in the bank and a floating debt of \$125,000.

Mr. Crabtree is one of the very best business men in Jacksonville. Thru a period of years he has been identified with every movement for the betterment of this city. During the war time period he has made a most liberal contribution of time to Red Cross, Liberty Loan and other public enterprises. His integrity is of the unquestioned kind. He has no desire for political preferment. In fact, for years he has avoided political affairs.

In the present instance he has, after much urging, agreed that if the people of Jacksonville want to try him in the office of mayor for a two year period he will take the job. He has agreed to do the very best that he can, not with the purpose in view of drawing down a salary but with the hope that during the two year period he may be able, with members of the council as co-workers, to make some progress in the betterment of Jacksonville's financial condition.

If the people want Mr. Crabtree to serve as mayor, there is just one way to accomplish it and that is to vote for him in the primary next Tuesday, March 11th, and in the regular election in April.

SCOTT COUNTY YOUNG PEOPLE WED

Miss Glossop is Bride of Elmer Christison, Returned Soldier — Surprise Party for Mrs. Bailey — Eddings Funeral Held.

Winchester, Ill., March 3. — Mrs. Samuel Bailey had a pleasant surprise Sunday at her country home, when a large number of her friends arrived about 11 o'clock with well filled baskets and an abundance of good things to eat. The gathering was in honor of Mrs. Bailey's birthday and the surprise was planned by Mrs. Ira Taylor, a neighbor. There were forty-six present, and the surprise was a very happy one in every respect. Mrs. Bailey received a number of useful gifts from those present.

Miss Orpa Knapp returned to East St. Louis Monday morning after a short visit here with her mother.

The funeral of Mrs. Anna Eddings occurred at the Christian church Monday afternoon at 2 o'clock. Rev. Mr. Evans officiating. Music was furnished by a trio, Mrs. Fred Neat, Mrs. Ada Lankford and Guy Paul. The bearers were William Wells, George Claywell, Fritz Haskell, Hardin Clark and Roy Tankersley.

The sale of David Ring was held Monday afternoon and was quite well attended. Everything sold at a satisfactory price, the total realized being \$3,700. Hogs sold from \$87 down and corn brought \$1.40 a bushel. Cows brought prices ranging up to \$131. George Holton was the clerk.

Thomas Killam has arrived from Duluth, Minn., for a visit with Francis Chumley.

Leslie Schafer of Chapin and Miss Ella Baird of Manchester were married Saturday morning by Squire James Adnell.

The county commissioners met Monday.

Henry Summers and son of Bluffs visited friends here Monday.

Elmer J. Christison and Miss Mary Irene Glossop were married Sunday at noon at the parsonage of the Baptist church. Rev. W. B. Johnson performing the ceremony. The young people were attended by Jesse L. Glossop, brother of the bride, and Miss Ola Christison, sister of the groom. Both of these young people are members of

prominent Scott county families. The bride who for some years has been an efficient teacher in the county schools, is a daughter of Mr. and Mrs. William Glossop, living two and a half miles east of Winchester. The groom is a son of Mr. and Mrs. Henry M. Christison, residing four and a half miles northwest of Winchester, and has but recently been discharged from the army service. Both Mr. and Mrs. Christison have been active in the affairs of the Baptist church and have a wide circle of friends who will extend hearty congratulations. They will reside on a farm a few miles north of Winchester and begin married life under very happy auspices.

Mrs. Alonzo Ellis and Mrs. Mary Lilley arrived Monday from White Hall. Mrs. Lilley has visited her daughter and family there for a number of weeks.

Charles Jefferson and wife have rented the home of the late Mrs. Daniel Smith and expect to begin housekeeping there soon.

Miss Emma Brown of Jacksonville is visiting relatives here.

VISIT POSTPONED

It was stated some weeks ago that Lieut. Ralph Bowen, who has been stationed at Ft. Ethan Allen, Vt., for some months past, would probably visit relatives here at an early date. Relatives of Lieut. Bowen have just received the advice from him that his proposed visit has been postponed to a later date. Lieut. Bowen, with other members of his company, were a part of the honor guard stationed at Boston, Mass., to welcome President Wilson on his return from France recently. In his letter to Morgan county relatives Lieut. Bowen stated that he did not know how long he would be stationed at Boston, and the postponement of his visit came as a result of this change in plan. Lieut. Bowen's parents, Mr. and Mrs. J. W. Bowen, are making an extended visit on the western coast, and it is probable that his visit here will be made some time after their return in April or May.

LYNNVILLE AID MEETING

The Ladies Aid Society of the Lynnville Methodist church will meet on Wednesday of this week at 2 p. m. with Mrs. W. E. Rawlings. A full attendance is desired.

Real Estate, Loans And Insurance

March 1st is here and past. We have sold lots of farms the past year and a number of pieces of city property. Farms are going higher and city property is on the raise. We still have lots of farms for sale of any kind you want and city property of all kinds. If land is too high here, come in and talk it over, we have cheaper land in other states. We loan money on Real Estate, and write Insurance.

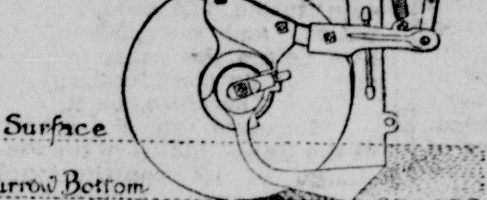

Norman Dewees

Illinois 56 307 Ayers Bank Bldg. Bell 265

The New Peoria Disc Shoe Drill

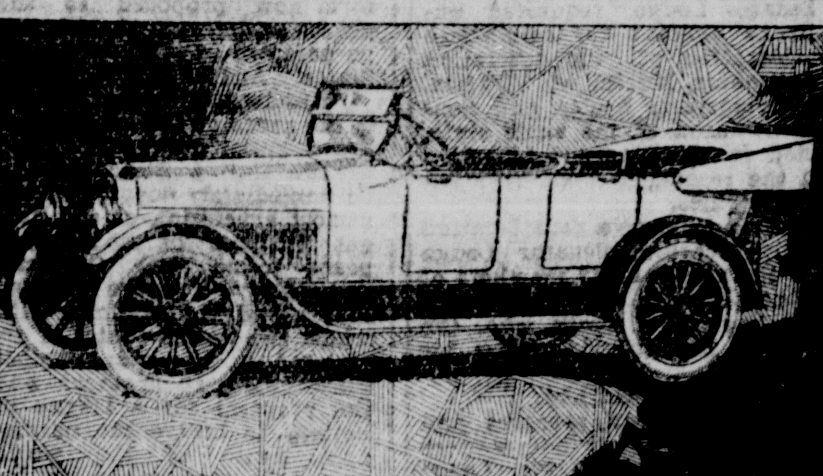

shown here, is the best there is no doubt about that at all. Truss frame makes it strong; drop front pulls disc into the ground instead of out. Pressure springs at rear of disc so you get the pressure where it is needed. High, wide tire, steel wheels, very strong. See small cut. It shows just how the grain is put in—all covered, none left on top. The disc opens the furrow, the shoe holds it open until seed drops to bottom of furrow.

See me for Incubators. Have a good man to repair pumps. I buy and sell fine timothy, clover, alsyke and sweet clover seed.

P. W. FOX

Half Block South of Courthouse on West St. Both Phones

The New Studebaker LIGHT-SIX

The remarkable ease with which it holds the road and travels mile after mile without vibration or effort, is only one among the big features of the New Studebaker Light-Six.

You can drive it all day without fatigue. And so can your wife or daughter. Its sure starter, the responsiveness of the motor, the convenient controls, the short turning radius, the irreversible steering gear and the quick-acting brakes all contribute to make this a delightful car to drive.

Its mechanism is simple, accessible, practically trouble-proof, easily cared-for. It's a beautiful car to look at; a most satisfactory car to own.

BELL'S INDIGESTION CURE

"Ain't It a Grand and Glorious Feeling"

MEN We are going to have water—clear, pure, sparkling water, and plenty of it—if, "we don't weaken." We won't! This is one time the "water proposition" goes through!

THE AMOUNT necessary is nearly all subscribed. Every resident should get in on it, and back of it, if only for one dollar. It's not a "give me" idea at all. It's a safe investment. You'll draw GOOD interest in money, and BIG interest in contentment because of a bigger, better, live, thriving city. Now.

ALL TOGETHER Let's not leave a stone unturned. Let's cinch this "water proposition" once and for all. If we fail now we ought to abandon our aspirations city-wide and be content to be a little back number village.

"Hurrah!! Dad Got the Whole Avery Outfit"

When the whole Avery outfit arrives on your farm you can say "Good Bye" to a lot of expense and look forward to bigger crops and more profits and your work will be easier and more interesting.

Learn What Avery Motor Farming Machines Will Do For You

Come in and talk over your motor farming requirements. Let us show you how you can do your heavy work, such as plowing, preparing your seed bed, harvesting your grain crops, etc., with one of the six sizes of Avery Tractors. They are the tractors with the perfected opposed motors and the patented sliding frame transmissions. Let us show you the Avery Motor Cultivator, the most wonderful invention since the grain-binder. With it, you can plant and cultivate corn, beans, cotton, and other row crops. You can do such work quicker, easier and cheaper with an Avery Motor Cultivator than you can do it with animal power.

You should also investigate an Avery Grain-saving Separator for threshing your grain, clover, Kaffir corn, rice, etc. With an Avery Separator, you are sure that you will save your grain and put it in the wagon-box and not in your straw stack. No other threshers have teeth and fingers like an Avery, that get the grain out of the heads and separate it from the straw.

There is also an Avery Plow, either light or heavy style, to fit the soil conditions on your farm, and a size for every size tractor.

Come in and see samples of the complete line of Avery Motor Farming Machinery.

DOLLAR A YEAR PLAN
TRIED MANY YEARS

Hoopston Has Made Fine Showing
—Money In Bank and No Outstanding Debts.

Mention was made recently of the fact that the town of Hoopston, with a population of 7,000 people, is often held up these days as an example of fine municipal management. There the custom of having a mayor and aldermen serve for a very nominal salary has long been in vogue and membership in the council is sought merely as a matter of honor. Charles W. Warner is the publisher of the Hoopston Chronicle and also as an alderman from the second ward holds membership in the council. The letter from him gives the following facts about the present financial condition of Hoopston.

There has evidently been some movement in Hoopston to change from the no-salary basis and that accounts for the following statement which is from a recent issue of Mr. Warner's paper, the Chronicle. The article has some local interest now that the question of having a no-salary mayor is so prominently before the people.

"So far as financial situation is concerned, I can only say the rate of taxation is limited by the same constitution that limits Jacksonville's rate. We have never been able to go beyond the constitutional limit. The Treasurer has just told me the financial

WHEN NEURALGIA
ATTACKS NERVE

Sloan's Liniment scatters
the congestion and
relieves pain

A little, applied without rubbing, will
penetrate immediately and rest and
soothe the nerves.

Sloan's Liniment is very effective in
allaying external pains, strains, bruises,
aches, stiff joints, sore muscles, lumbago,
neuritis, sciatica, rheumatic twinge.

Keep a big bottle always on hand
for family use. Druggists everywhere.

Sloan's
Liniment
OKs Pain

Price 30¢, 60¢ \$1.20.

standing of the city today is as follows:
"Cash in bank . . . \$13,000.00
"Liberty Bonds . . . 1,500.00
"Public Improvement bonds (for paving, etc., not yet due) . . . 6,000.00
"Total assets . . . \$19,500.00

Outstanding indebtedness, none. There are, of course, some public improvement bonds that are paid by special taxation as they become due. The waterworks bonds are not paid out, but the sinking fund represented by the bonds anticipated and paid before they are due will take care of the waterworks bonds before they are due.

"The cash on hand will more than pay the running expenses for the balance of the municipal year. The 1918 taxes will come in then, and there will be enough on hand to pay all expenses for the next year and leave a still larger amount on hand for the next year."

About the Council's Salaries. A recent proposition that has been made to allow the mayor and aldermen of Hoopston a salary "commensurate with the dignity of the office" (?) the Chronicle presents the following bit of history:

Hoopston was organized as a village in 1872, and incorporated as a city in 1877, in time for a mayor and aldermen to be elected in April that year. The first three years there were but two wards and three aldermen were elected. The majority reorganization plan in each ward. The city was then divided into three wards and two aldermen elected for each ward. In January, 1900, the city was divided into four wards and eight aldermen have been on the council since that time.

During the first two years as a city the mayor and council tried to serve without pay, but found that they couldn't do it legally, so they voted themselves a small stipend. In 1879 the salary was fixed at \$1 per year for the mayor and 50 cents per year for the aldermen. In 1896 the salaries were reduced just one half, and remained at that figure ever since. The mayors who have served Hoopston for the past forty-two years have been as follows:

1877—Jacob S. McFarren, 2 years; 1881 3 years; 1885, 2 years; 1891 2 years; total . . . 9 years
1879—A. Honeywell . . . 2 years
1884—Dr. S. P. Thompson 1 year
1885—H. L. Bushnell . . . 3 years
1888—A. H. Trego . . . 1 year
1889—Dr. W. P. Pierce . . . 2 years
1891—Dr. W. R. Wilson . . . 2 years
1892—J. H. Dyer . . . 2 years
1897—John L. Hamilton . . . 4 years

1903—J. A. Cunningham, 2 years
1905—F. H. Ayres . . . 2 years
1907—C. S. Cray . . . 2 years
1909—H. C. Finley . . . 4 years
1913—I. E. Merritt . . . 4 years
1917—William Moore . . . 2 years
The salary of these fifteen mayors for 42 years amounts to \$30.50. The aldermen have served in the aggregate 290 years and their salary has amounted to \$101, a total of \$131.50. In looking over the list it will be hard to believe that any of these men would have rendered better or more conscientious service had he been paid a liberal salary. Had the salary of mayor been fixed at \$5 per meeting and that of the aldermen at \$2.50 each—which is small enough if they are to be paid at all—the aggregate salary in the 42 years would have amounted to \$14,025. The difference saved is \$117.50. To bring this amount into the treasury would have required a saloon license for 13 1/2 years at \$1,000 per year or 27 years at \$500 per year. At the present rate there have been 42 years of decency and public improvement, and 42 years without saloons or graft.

During these 42 years two mayors—J. S. McFarren and H. L. Bushnell—resigned, both to go to Danville to live. But they both came back—Hoopston Chronicle.

FINE PERCHERON

At J. W. Arnold's sale
Thursday I will sell 1 coming
3 year old and 1 coming 4
year old pure bred Percheron
stallions. They are dark
grey in color, sound and bred
right.
CHAS. M. STRAWN.

MISS POSTON IN

NOTABLE WORK.
The New York Sun in a recent issue gives a picture of Miss Adele Poston, chief nurse at Base hospital No. 117, LaFouche, France. This was the first hospital established by the U. S. army for the treatment of mental and nervous diseases and shell shock cases. Miss Poston will be remembered by many here in Jacksonville as she began her work with Dr. F. P. Norbury at Maplewood sanatorium. Then she became chief nurse at Jacksonville state hospital and subsequently was chief nurse of the Norbury staff at Kankakee state hospital. Afterward she went to Bloomingdale hospital at White Plains, New York, and has had the post of chief clerk there until she left for overseas service. At LaFouche Miss Poston organized the nursing staff of 200 under the direction of the national committee for mental hygiene. Miss Poston has just returned from overseas duties and is now at Newport News. It is thought within a short time she will probably return to her important work at Bloomingdale hospital.

The record made by Miss Poston abroad is almost certain to result in some special government recognition.

FOURTH WARD

MOTHERS MEET.
The Fourth ward branch of the War Mothers of America met yesterday with a good attendance. Various matters of interest were discussed. It was unanimously decided that a separate record should be made and preserved of all S. A. T. C. boys. They had been regularly inducted into the service, taken the oath and paid insurance. They had performed all duties that had been performed by enlisted men and were entitled to recognition. Much indignation was expressed at the treatment or neglect of returning soldiers. A hundred million has been devoted to starving European nations; a hundred million to working men of America, both of which are all right and yet so little had been done for the boys who fought, suffered endured hardships and privation and had spent large parts of their wages in addition.

All soldiers especially invited to hear Col. Dan Smith of "The Battalion of Death" at Centenary church tonight.

DR. KENNEDY IN

SPECIAL WORK.
Dr. A. H. Kennedy has returned after completing a two weeks' course in advanced surgery at the Laboratory of Surgical Technique of Chicago, an adjunct of the Chicago Graduate School of Medicine. There were surgeons from every part of the country taking the course, which is designed for the purpose of keeping surgeons in touch with the latest methods in performing all kinds of surgical operations. The advancement in surgery is so rapid that unless a surgeon keeps up with the progress of the profession he is soon a back number. Dr. Kennedy has established a laboratory at his New Home sanatorium and is thus prepared to carry out some of the ideas gained while taking the recent course.

CIRCUIT COURT CASES

In the circuit court a suit has been filed by W. G. Goebel thru his attorneys, Bellatti, Bellatti & Moriarty, against E. Arthur Roberts. The praecipe indicates an obligation of \$2,000. The case of Charles Hadden vs. H. E. Frye, in which the complainant sought to recover some chickens sold to the defendant, has been appealed from a justice court. There a verdict was secured in favor of the complainant.

John Anderson of Springfield, thru his attorneys, Bellatti, Bellatti & Moriarty, has filed another suit against Hopper & Hoffman, for alleged failure to pay rental due on the opera house building. Mr. Anderson has claimed that he had a lease with the defendants and has brought suit each month for a period of months to recover the rental he claims is due him.

REGULAR MEETING OF
MINISTERIAL ASS'N

Ministers Appointed Members of
Passavant Hospital Board —
Rev. A. A. Todd and Rev. W. R. Leslie Made Talks.

The Ministerial Association held a regular meeting Monday morning at the Y. M. C. A. building. There was a large attendance and several matters of importance were discussed. Rev. A. A. Todd made a talk on "The Ministers in His Pulpit" and Rev. W. R. Leslie discussed "The Minister Among His People." Three members of the association Rev. W. R. Leslie, Dr. E. P. Landis and Rev. A. A. Todd, were appointed members of the Passavant hospital board, and Rev. W. H. Marchant, Rev. W. E. Collins and Rev. G. T. Wetzel were named as advisory members.

A letter in regard to the Inter-Church World Movement of North America was read and Rev. W. R. Leslie was named a delegate to attend the meeting in the interest of this movement, which is to be held at Hotel LaSalle, Chicago, next Monday and Tuesday, March 10 and 11.

All soldiers especially invited to hear Col. Dan Smith of "The Battalion of Death" at Centenary church tonight.

CONGRESS SPENDS
DAY DEBATING
PEACE LEAGUE

(Continued from Page 1)

In some hidden chamber known as the executive council well over its powers of life and death. Will embargo Commerce. The executive council, a nameless thing to sit in star chamber judgment, and decree implicit obedience to its mandates, cannot be borne by free man. By an ukase it will embargo our commerce, close our exchanges, destroy credits leave our merchandise rotting on piers, shut the Panama canal, order congress to declare war, levy taxes, appropriate money, raise and support armies and navies, and dispatch the globe to fight and die because an alien executive council has willed it. "Sincere men may have deceived themselves in their great hope for a perfect world, but no delusion, however sincere will excuse this senate from its duty to interpose its power against this universal Utopia promised by the president. It is the fabled apple of a great hope which will turn to ashes on a trusting people's lips. The senate never faced a greater task nor a nobler duty. It will not ratify an emotion nor translate an impossible idealism into a weapon of national suicide."

Refers to Washington.

Senator Sherman asserted that against the wisdom and experience of the American forefathers as summed up in Washington's farewell address, there was now rising up "the dreamer and the bookman, the socialist, the mere haphazard in phrases which intoxicate and mislead." The senator urged that the warning of the founders of the American government to let Europe settle her own quarrels be regarded now, adding that when the United States went to war against a common danger it did not bind itself "in perpetual alliance to draw the sword whenever and so long as the majority of European governments voted it upon us."

Demands Open Discussion.

Dismissing from his prepared speech, Senator Sherman demanded that there be an open discussion of the league's constitution and said: "If the president is not a political and a governmental coward he will give it to us. . . . And if I can not find expression of this privilege in my own party, I will go elsewhere for it." Senator France of Maryland, Republican interrupted to say that those favoring the constitution of the league as it now stood, "do not dare to let the American people discuss it and they will not remove the censorship that prevents free speech of the press and the people."

OYSTER SUPPER AT

LITERARY FRIDAY.
Class No. 5 of Literary Christian church Sunday school taught by James Petefish, will give their annual oyster supper Friday evening, March 7, beginning at six o'clock. Special music by Ray Spillman of Jacksonville. Everybody cordially invited to attend.

CARD OF THANKS.

We wish to express our sincere thanks to the many neighbors and friends for the kindnesses shown and the sympathy expressed during the illness and after the death of our mother. We are grateful to those who sent flowers and to all who in any way assisted us.
W. H. Weatherford and Family.

SEAMEN FOUND

Milwaukee, Wis., March 3.—Joseph Budish and Joseph Costeran, who were lost in a storm on Lake Michigan last Friday, were found this afternoon adrift in their tug about 35 miles southwest of Milwaukee. Both men suffered much from exposure.

AVIATORS KILLED

Lawton, Okla., March 3.—Second Lieutenant Walter Wirz, pilot, and Sergeant Olmstead, both of Post Field, were killed today when the plane in which they were riding fell. The bodies of both men were burned beyond recognition the machine taking fire before it reached the ground. The plane was one of the smallest types used at Post Field. Lieutenant Wirz's home is at Los Angeles.

JEROME CULP HELD
RETIRING SALE

Will Retire from Active Farming
and Reside in Jacksonville —
Sale Totals About \$1,000.

Jerome Culp held a retiring sale at his farm near Woodson Monday. Mr. Culp will retire from active farming and move to this city to reside. His son, Roy Culp, will manage the farm.

The sale totaled \$1,551 and all offerings brought good prices. C. Justus Wright and J. L. Henry were the auctioneers, and S. J. Baxter served as clerk. Some of the prices and buyers are given.

Roy Culp, six shoats at \$1310 per head, and five shoats at \$1010 per head.
Wiley Todd, cow and calf \$132, cow \$200, black cow, \$130.
J. D. Sheppard, red cow \$116.
Mike Quinn, weanling colt \$12.
Alfalfa hay sold at \$1 per bale and farm implements brought good prices.

Following the Culp sale, John Henry sold three span of mules. C. J. Wright brought two spans at \$270 per span, and Edward Rea, one span at \$225.

A FAMILY DINED.

Mr. and Mrs. A. H. Wyatt entertained a dinner party on Sunday March 2nd in honor of their nephew and niece Samuel and Lillian Welch of London, Canada. Mr. Welch is a returned Canadian soldier he having spent three years in the army of this country. Eighteen months were spent in the front line.

The town guests were: Commissioner Charles N. Wyatt and Miss Maude of Franklin, Mr. and Mrs. Earl Taylor and Miss Minnie Wyatt of Springfield, J. W. Thompson of Colo. Iowa. During the afternoon the guests were entertained with music. Mr. Welch telling about his experiences in the army. All together an enjoyable time was had by all.

ATTEND FUNERAL

OF THEIR SISTER

John and Robert Mutch of this city left recently for Davenport, Iowa, called by the death of their sister, Mrs. George Cockerell, which occurred Friday at 5 p. m., following an operation in a hospital there. The deceased prior to her marriage was Miss Kate Mutch of Murphysville, Kentucky, and she had many friends in that community who will deeply regret to learn of her death. The deceased was born in Canada, but came with her parents to Morgan county when but a child. She is survived by a number of brothers and sisters, one brother, William Mutch, having preceded her in death a number of years ago.

The arrangements for the funeral have not yet been arranged and it is not known where interment will be made.

TRIED TO ROB

MEREDOSIA BANK

An unsuccessful attempt to rob the Farmers & Traders bank in Meredosia, was made Sunday night. It was sometime after midnight that a resident of the city heard a noise which he thought indicated the presence of yegg men and he fired a shot gun from his window. This awakened another resident, who had rooms above a store building and he went down stairs to started to leave the building. He found a man on guard and was ordered to halt. He made his way up stairs and a little later also fired a shot from his window. Several other people were awakened and the disturbance was such that the attempted burglary was frustrated and the men made their get away in an automobile. When the bright light came it was found that the bank building had been entered but that the effort to open the safe had failed.

DR. RYAN WILL RETURN

Dr. Arthur C. Ryan, who for a number of years was located at Constantinople in missionary educational work for the Congregational church is coming to Jacksonville next Friday. He will make an address at Illinois College chapel exercises, at the Rotary luncheon at noon and at night will speak before an open meeting of the Brotherhood of the Congregational church. Rev. Ryan spoke here several weeks ago at the community forum when he made a most notable address. His years of experience in Turkey give him the right to speak with authority on the questions relating to Armenia, Syria and the country thereabout. During part of the war period he was a Red Cross representative at Constantinople and did work of a notable kind.

WATER FUND SUBSCRIPTIONS

Total subscriptions to the water supply fund are now \$119,150. At a meeting of the committee held at the city hall Monday afternoon additional subscriptions of \$2,350 were reported. This amount, together with the \$116,800 reported yesterday, made the total as indicated. Subscriptions reported yesterday were as follows:
Dunlap, Ralph 100
Frank, Louis 500
Goebel, W. G. 200
Graef, Anton 200
Hardesty, Katherine 100
Howard, Harry W. 100
Leach, John W. 1000
Orear, Sue C. 50
Taylor, C. W. 100

Previously reported . . . \$2350
Total to date \$119,150

JOY PRAIRIE

ELEVATOR CO.

A meeting of the stockholders of the Joy Prairie Elevator Co. was held Monday at Joy Prairie. The reports for the year were presented and directors and officers elected. The officers are as follows:
President—John A. Moss.
Vice President—John Hadden.
Secretary—F. J. Blackburn.
These men, together with L. S. Doane, Walter Houston and C. L. Reid constitute the board of directors.

**DAN MORGAN SMITH
DRAWS BIG CROWDS**
Colonel's Great War and Dry Lecture Thrills Hearers in Chicago—At Centenary Church Tonight.

Concerning Col. Dan Morgan Smith who is to speak tonight at Centenary church an exchange has the following:

Colonel Dan Morgan Smith, the commander in France of the Battalion of Death (1st Bn., 353rd Inf., 90th Division) opened up his campaign for the Anti-Saloon League of America last week by a series of meetings in many of Chicago's prominent churches. These meetings were the most successful that were ever held in the city under the auspices of the League.

Colonel Smith's presentation of world-wide prohibition and the enforcement of law is so interwoven with thrilling episodes of France that the audience becomes convinced of the necessity for law enforcement and becomes converted to world-wide prohibition. While these speeches are effective for prohibition, while they are so convincing that at many meetings men who have always opposed the movement have announced that they will henceforth support it, almost the entire time is devoted to a description of the trenches, life on the front lines and tales of bravery of his men. Colonel Smith's description of the battle of St. Mihiel is one of the most vivid word paintings that any audience ever heard.

It is a great speech for patriotism, a great speech for temperance and a great speech for humanity.

**CLEMENCEAU HEADS
BOY SCOUTS OF FRANCE**
Paris, March 3.—Premier Clemenceau has accepted the presidency of the Boy Scouts of France.

**Indigestion, Gas
and Bloat From
Acid-Stomach**

An acid-stomach cannot digest food properly. Instead, the food sours and ferments and, passing into the intestines, becomes a breeding place for countless millions of deadly germs—toxic poisons they are called. These poisons are absorbed into the system and cause untold misery. So, you see, it is just acid-stomach, nothing else—that makes so many people weak, listless and unfit; robs them of their vigor and vitality. Biliousness, bad liver, nervousness, blinding, splitting headaches, rheumatism, lumbago, sciatica—these and many other still more serious ailments often are traced to the common source—an acid-stomach.

Take EATONIC and get rid quickly of the pains of indigestion, heartburn, that horrible, lumpy, bloated feeling after eating; disgusting, belching, food-repeating; sour, gassy stomach. These stomach miseries are caused by what doctors call "Hyper-acidity." It's just ACID-STOMACH. And in addition to the pains and miseries it causes, ACID-STOMACH is the starter of a long train of ailments that most people never dreamed are in any way connected with the stomach.

Pleasant tasting EATONIC TABLETS that you eat like a bit of candy, quickly put an end to your stomach troubles. They act as an absorbent—literally wipe up the excess hurtful acid and make the stomach pure, sweet and strong. Help digestion so that you get all the power and energy from your food. You cannot be well without it!

If you are one of those who have "tried everything" but in spite of it still suffer all kinds of acid-stomach miseries—if you lack physical and mental strength and vigor—begin at once to take EATONIC. Get back your physical and mental punch and enjoy the good things of life. Like thousands of others you will say you never dreamed that such amazingly quick relief and such remarkable improvement in your general health was possible. Your druggist has EATONIC. We authorize him to guarantee it to give you instant relief or refund your money. Get a big box of EATONIC today, it costs but little and the results are wonderful.

EATONIC
FOR YOUR ACID STOMACH

STOP!

FOR MEN.

**I Want Twenty More Old Binders
(Any Make)**

Did you ever count the cog wheels on the front of your old binder? Count 'em, and come in and count ours. Elevator or rear driving chain on the Moline Binder drives aprons and butt adjuster NOTHING MORE. On other makes the elevator chains drive elevators, platform canvasses, butt adjusters, the REEL and the binding attachment. A reel should make same revolutions as main wheel. Elevators should run 12 times as fast as reel. Then you must gear UP to 12 and back DOWN to 3 and it takes power and cog wheels to do it. Come in and see WHY the Moline Binder does NOT have a lot of cumbersome cog wheels. Come in and see a reel that will pick up down grain 33 inches ahead of the knife. Don't waste money putting new parts on old worn-out binders when I must have 20 more. Come in and let's trade. Remember we deliver you a 6, 7, 8 or 10 ft. Moline Binder on any farm in Morgan county.

(20) (20)

YOU have spent your money for a car and the tires are its weakest part.

YOU well know with the use of air the tires are never worn out, and many of them go to the junk pile from a blowout or rimcut long before the tread is worn out. These two things alone cause you to lose 50 to 75 per cent of the actual mileage that you should get out of the tires.

SO DON'T lose any more time or money on the air system. **DON'T** trust to luck when you can trust to **NATIONAL RUBBER TIRE FILLER**, the perfect substitute for air, and ride in a care-free confidence, free from that ever present nerve-racking dread of tire trouble.

**Rheumatism Has Never
Been Cured by Liniments
or Lotions, and Never
Will Be**

You never knew of rheumatism that most painful source of suffering—being cured by liniments, ointments or other external applications. And you will never see anything but temporary relief afforded by such makeshifts.

But you may be satisfied with temporary relief from the pangs of pain which are sure to return with increased severity, when here is permanent relief within your reach? Science has proven that rheumatism is a disordered condition of the blood. How then an satisfactory results be expected from any treatment that does not reach the blood, the seat of the trouble, and rid the system of the cause of the disease? S. S. S. is one blood remedy that has for more than fifty years been giving relief to even the most aggravated and stubborn cases of rheumatism. It cleanses and purifies the blood by routing out all traces of disease. The experience of others who have taken S. S. S. will convince you that it will promptly reach your case. You can obtain this valuable remedy at any drug store.

A valuable book on rheumatism and its treatment, together with expert medical advice about your own individual case, will be sent absolutely free. Write today to Medical Department, Swift Specific Co., 431 Swift Laboratory, Atlanta, Ga.

BOARD ADOPTS CHANGES FOR NEW HIGH SCHOOL

Recommended by Supt. Perrin—Claims Ordered Paid—Board Favorable to Request—Trades and Labor Assembly.

The board of education met last evening and transacted routine business. A letter from the trades and labor assembly was read and a favorable reply was made. An incorrigible lad was reported and the matter was referred to the matrons.

Something near \$5,000 high school tuition is expected in a few days. The principal amount was devoted to examining the plans for new high school building as suggested by Supt. Perrin after his visit to the city at Chicago.

The Proceedings. The board met in regular session with all present except Mem. Black.

Building bills, \$55.80, ordinary repair bills, \$1,409.35, and roll, \$8,038.48, were ordered.

The building and repairs committee reported success of measures taken by wire and posts to prevent trespass on independence grounds.

Notice from the city council a concrete sidewalk was to be constructed on the east side of Washington school grounds reported. It was stated that present walk is in very good condition but that has no bearing on new one ordered.

The condition of the open air building as left by the Red Cross people was reported as bad. By all the transoms adjusting are broken and other undesirable conditions exist. It was stated that some of these rods broken before but any one acquainted with them would break them and there be two on hand.

Regarding the property loaned to Red Cross and not accounted for, Judge Brockhouse had read the absence of Miss Coale and it impossible to check up.

Drugs

That Make the Ill One Well

Drugs that make the ill one well are those drugs that have purity, potency and power, which are fresh and vigorous in their action and which are properly put together to bring out all that is remedially best in each and in the combination. So, such, indeed, depends upon the druggist's ability to know all these things and to properly provide them for our benefit. So much depends upon you to carefully consider these things and to bring your prescriptions to us where so much is guaranteed.

ARMSTRONG DRUG STORES

QUALITY STORES TWO DOUBLE STORES SERVICE E. State St., Phone 800 S. W. Corner Sq. Bell, 274; Pl., 602

and settle but it would be done soon as Miss Coale returns.

Tuition Will Be Paid. High school tuition amounting to nearly \$4,700 will probably be paid this week.

The tuition paying pupils in the high school are about as usual. A few failed to return after the ban was lifted but not many. It is probably that full tuition for the year may be collected. The \$4,700 mentioned is for last year.

Local Labor for New Building. A letter from the Trades and Labor Assembly was read. It was the same as has already appeared in the Journal. The request was that the board so arrange the contract for the new high school building that all work shall be done by local mechanics and laborers.

It was stated that the law expressly forbids incorporating in the specifications such a provision and that there will be many things to be done in the new building which could not be done by local residents nor would there always be enough of them to carry on the work. The secretary was directed to reply to the communication that every possible effort would be put forth to secure to local residents all the work practicable in the new building and architect, Mr. Royer, would be so instructed. A vote of thanks was tendered Dr. Frank for gratuitous operation on a pupil whose parents were unable to pay.

Incorrigible Boy.

Supt. Perrin reported the case of a boy under ten years of age; too young to be sent to a reform school and whose parents were of no good to the boy. He had been taken in hand and sent to a boys' boarding school but the managers of the school had sent word he was incorrigible and would have to be returned. Supt. Perrin said it was a hard problem as it would not do to send the boy to school here to annoy and contaminate the other pupils of his room. No action.

Supt. Perrin read a brief report of his visit to the National Educators' association in Chicago. (By Supt. Perrin.)

The Department of Superintendent of the National Educational Association, which convened during all of last week at Chicago, proved to be one of the largest and most helpful meetings which ever has been held. The representatives of schools gathered from every part of the United States and the programs represented terse, concise statements on the part of exceptional leaders drawn from every quarter of our country.

Each session had some particular topic as the point around which all speakers presented their discussions. Something of the scope of these may be had from the suggested topics: Factors Involved in the Quality of Instruction at Present Offered in our Schools; A National Secretary of Education in the President's Cabinet; Government Activities as They Affect the Schools; What the War Should Do for Our Methods in Various School Subjects; Training Pupils for Citizenship.

On different afternoons special session meetings were held at which times items of particular interest to representatives of school systems of different sizes were presented.

It is impossible to do more than summarize the general trend of the work of the Association. Following are just a few statements which may be suggestive as to the point of view:

1. The war has shown the great necessity of education in an efficient democracy.

2. There should be a Secretary of Education in the President's Cabinet instead of some forty Bureaus in different departments working at cross and overlapping purposes. Such a bill is now before Congress and is known as the Towner bill.

3. That the quality of instruction in our schools may be improved by the payment of a larger wage to teachers, the minimum being \$1,000 per year; a demand

for efficiently trained teachers and state and national aid in making more efficient schools possible.

4. A continued study of the contents of the course of study in order to economize the time of the child through his school life. The Junior High School is accepted today as one of the points where reorganization will mean much.

The national character of the meeting may be had from the fact that the program contained such speakers as Prof. W. D. Bagley of Columbia; W. M. Davidson, Supt. of Schools, Pittsburgh; C. N. Kendall, Commissioner of Education, New Jersey; Latus D. Coffman, University of Minnesota; Edmund J. James, Pres. University of Illinois; J. Paul Good, University of Chicago and numerous other leaders in education.

Two points were very conspicuous no matter from what angle discussions were introduced and were constantly cropping out. First, the necessity for industrial training in the schools to meet modern conditions; second, a demand for physical education made on the basis of the showing of the records of the war drama.

All in all the meeting was a helpful one and I wish it had been the privilege of each and every member of this Board to have gotten some of the inspiration as well as sound business facts which were presented there.

Mr. Perrin said there is now before the state legislature a bill for paying one half the salaries of teachers in vocational departments provided the federal government pays the other half and it was suggested that all who had any influence with state law-makers get busy as the law is a good one.

Teachers' Salaries. The question of teachers' salaries was also discussed at the meeting. It did seem as if qualified teachers should have not less than \$1,000 yearly and surely not less than \$800 when they properly fit themselves for their work as that costs money. No action could be taken by the board at present. Mr. Perrin said he thought Jacksonville was paying an average salary. Some places paid more than Jacksonville and some less.

Supt. Perrin said he had conferred with various well informed persons regarding the requirements needed to secure the federal aid for salaries of teachers in vocational departments. He had taken the plans for the new building and with great care had made tracings showing the changes he deemed needed. They were adopted by the board and will be sent to Mr. Royer, the architect.

Social Events

Mr. and Mrs. A. G. Linn

Entertained for Daughter.

Mr. and Mrs. A. G. Linn entertained a number of friends at their home near Arcadia Saturday evening in honor of their daughter, Mrs. Martin Peterson of Essex, Iowa. The evening was spent in playing games and music, during the evening refreshments were served. Those present were Helen and Anna Dinwiddie, Pearl, and Ruby Dewese, Hazel and Gladys James, Dorothy and Esther Houston, Pearl Henderson, and Elsie Cully, Earl and Harvey Henderson, Edward Dinwiddie, Jones, Byron, Donald and George Houston.

Young People Charivari

Mr. and Mrs. Hymes.

A company of thirty young people went Saturday evening to the home of Mr. and Mrs. Frank Hymes in the Sinclair neighborhood, for the purpose of charivariing Mr. and Mrs. George Hymes, recently married. The merry-makers were invited into the house and a number of hours were spent with games and music, and later refreshments were served. All departed with good wishes for Mr. and Mrs. Hymes for a long and happy wedded life.

Entertained at Dinner.

No happier time was ever enjoyed by the Concord little folks than that of Sunday, March 2. Grandmother Yeck entertained at dinner, her daughter, Mrs. Mollie Bayless and her daughter, her grandchildren. Among those who partook of this rare enjoyment were Peggy Valentine, Shoety Yeck, Slim Jim Bayless, Aileen Ewing Lifus, Bones Sonny Hamm, Pud Possum Yeck, Uncle Dutch Bayless, Yeckie Yeck, Liss Bayless, Bill Yeck, Lee Bayless, Ruth Yeck and Floy Blimling.

Birthday Dinner for

Mrs. Charles Sooy.

A number of relatives and friends gathered at the home of Mr. and Mrs. Charles Sooy in Misrayville Sunday, the event having been planned in honor of the birthday anniversary of Mrs. Sooy, and also in honor of her son who has but recently been discharged from army service. At the noon hour a bountiful dinner was served, and this feature of the day was one which all enjoyed to the full. The afternoon hours were spent in a delightful way with music and conversation, and the day was one which all will remember with great pleasure. The company included Mrs. Mary Milon, Jacksonville; Mr. and Mrs. Morris Seymour, Woodson; Mr. and Mrs. J. F. Lemon and sons Russell and Ralph; Mr. and Mrs. George Mason, son William and daughter Margaret; Mr. and Mrs. Thuer Sooy; Mr. and Mrs. Louis Sooy and daughter Lorene; Mr. and Mrs. E. P. Sooy and family.

Mrs. Hoffman Hostess to

Loyal Women's Class.

Mrs. Otis Hoffman was hostess to the Loyal Women's Class of Central Christian church at her home, 510 North Prairie street, Monday evening. About fifty were present and the evening was pleasantly spent with music and games. In a kitchen quiz the prize was won by Mrs. Edgar Stout and in the flower contest, the prize went to Miss Grace Campbell. A marshmallow toast was a feature of the evening and the hostess served dainty refreshments. Mrs. Hoffman was assisted in entertaining by Mrs. Arthur Denny, Mrs. Leslie Harvey, Mrs. Oran H. Cook and Mrs. Arthur Jackson.

Opportunity Class Met

With Mrs. Herbert Capps.

The Opportunity Sunday school class, taught by Mrs. F. B. Madden, met Monday evening with Mrs. Herbert Capps, 811 North Church street, with a good attendance. After the regular business meeting the devotional period was had. Mrs. M. E. Gilbert presided. Mrs. L. R. Meldrum was elected president and Mrs. E. D. Herald, secretary of the class. Following the business session a social time was enjoyed during which there was music and the hostess served refreshments.

Party at I. S. D.

The children of the first three classes of the School for the Deaf, together with their teachers, the house mothers, Miss Wood, principal and Miss Hettie Patterson, were delightfully entertained Friday afternoon by Mrs. H. L. E. White, wife of the superintendent. This was the first of a series of parties to be given by Supt. and Mrs. White for the children of the school. Several hours were spent in various forms of amusement under the supervision of Mrs. Jordan, Miss Kingsley and Miss Sandberg, and at 3 o'clock the company proceeded to the dining room, where they were met by Mrs. White, Mrs. Snyder and Mrs. Welch. A group picture was made by Miss Daniels.

The room was tastefully decorated with flowers and ferns and each guest was presented a carnation, these gifts and the decorations having been contributed by Dr. E. L. Hill of Jacksonville State hospital. The refreshments served consisted of ice cream, cookies and candy. When the hour came to leave the children all agreed that the afternoon had been one of the most pleasant they had enjoyed at the institution.

JAMES LEAKE BUYS

TRACT OF LAND

Forty acres of land belonging to John L. Johnson and the estate of Charles H. Johnson, lying north of Markham, was sold Saturday afternoon by William E. Thompson. The purchaser was James Leake and the purchase price \$153.75 per acre.

FUNERALS

Sipes.

Funeral services for Dr. E. Sipes were held from Gilham's undertaking parlors at 2:30 o'clock Monday afternoon in charge of the Rev. W. R. Leslie, pastor of Centenary church.

Music was furnished by Miss Cora Graham, Miss Elizabeth Slaughter, T. H. Rapp and W. W. Gilham. The flowers were cared for by Mrs. James Hurst and Mrs. Isabelle Seymour.

Burial was in Diamond Grove cemetery the bearers being Thomas Willerton, William Allison, Howard McGee, James Hurst, Charles Peterson and E. Johnson.

Van Winkle

Funeral services for Bert A. Van Winkle were held from Gilham's undertaking parlors at 3 o'clock Sunday afternoon in charge of the Rev. F. B. Madden pastor of Grace church. There was a large gathering of friends to pay a last tribute to the memory of the deceased.

Members of Jacksonville lodge No. 152 Knights of Pythias of which Van Winkle was long a member, attended the services in a body and carried out the funeral ritual of the order. The music was under the direction of Mrs. H. C. Woltman.

The remains were taken to Franklin Monday where services were held at Providence cemetery in charge of the Rev. H. W. Miller of Franklin M. E. church. Music was furnished at this service by Miss Lila Seymour and Mrs. William Kirby.

The bearers were: W. M. Rees, Scott Tranbarger, John Eland, Eugene Wood, J. H. Roberts and Charles Hankins.

Sevier.

The funeral services in memory of Mrs. Louise Sevier were held Sunday morning at the home of Sheriff and Mrs. W. H. Veath, where a company of relatives and friends gathered at 9 o'clock for a brief and impressive service, conducted by Rev. W. R. Leslie, pastor of Centenary church. The minister offered an earnest prayer and read appropriate passages from the Scripture.

Several hymns were sung by T. H. Rapp, A. M. Robinson and Albert C. Metcalf. Following this service the cortege moved to Franklin, where further service was held at the cemetery at 11 o'clock, in charge of Rev. H. W. Miller, pastor of the Franklin Methodist church. There appropriate music was furnished by Mrs. M. L. Anderson, Mrs. Curtis Scott, Mrs. Clara Votawier, Mrs. Julia Wright and Edward Seymour, with Miss May Boulware at the organ.

Rev. Mr. Miller took for his text Hebrews 13-14, "For here we have no continuing city, but we seek one to come." The minister said that Mrs. Sevier had chosen this text herself some weeks ago, and that while he had not known Mrs. Sevier personally that he was fully persuaded that she must have been a woman of strong Christian character to have selected a text of such deep meaning to be used at the funeral service in her memory.

Mr. Miller said that to his mind a good woman meant the noblest work of God and that the influence that came from a home where a Christian mother presided thru the years was far-reaching and beneficial in a very large way. Those in the company were urged to choose the life that Mrs. Sevier had chosen and to follow the principles that her life had so clearly exemplified.

There were many beautiful flowers and they were cared for by three granddaughters of the deceased, Mrs. Ollie Becker, Mrs. Mamie Seymour and Miss Jennie Weatherford. The pallbearers were Messrs. Joseph Goveia, Howard Wannamaker, Benjamin C. Andrews, John Roach, S. Abner Thompson and Arthur Henderson.

Rhoads

The funeral of Mrs. William Lockwood Rhoads was held at the residence of Mr. and Mrs. William Barbre, 202 South Prairie street, Monday morning at 9 o'clock. Rev. F. B. Madden, pastor of Grace M. E. church, was in charge and spoke in a most comforting way to the family and friends who had suffered such a severe loss in the going of Mrs. Rhoads. The minister after commenting upon the promises of the scripture, referred particularly to the beautiful spirit of self-sacrifice Mrs. Rhoads had shown thru all her life. With the deceased the interest of her home and family were always foremost and her greatest happiness seemed to be in serving others.

Mrs. H. C. Woltman added greatly to the impressiveness of the funeral service with two solos, "Abide with Me" and "Beautiful Isle of Somewhere", with Miss Lula Hay playing the accompaniment. John Moore, a nephew of the deceased, also sang, accompanied by Miss Clara C. Moore on the violin. Friends had sent many beautiful flowers and these were cared for by Misses Helen Bates, Katherine Roach, Helen Scott and Jeanette Jones.

After this service at the house the remains were taken to the Chicago & Alton station and conveyed to Roodhouse, where further service was held at the Methodist church. There a company of sorrowing friends had gathered and the service conducted by Rev. Mr. Tepping and Rev. Mr. Madden was of a very impressive kind. The body was laid to rest in a grave made cemetery with flowers, in the cemetery where Mrs. Rhoads' mother, Mrs. Deborah Moore, was laid away only a few weeks ago. The same choir served and used the same songs that had been a part of the service for Mrs. Moore. The bearers were H. G. Moore, Peoria; W. L. Moore, Kansas City; A. G. and C. F. Rhoads, St. Louis; William Barbre and George S. Rogerson, of this city.

DEATHS

Newby.

Word was received in the city yesterday of the death of George Albert Newby which occurred at his home in Cleveland, Ohio, Saturday. The particulars have been received it is thought that death resulted from an attack of indigestion from which he was a sufferer.

Deceased was the son of Robert N. and Mary Newby and was born near Markham, October 2, 1870. He grew to manhood in this county and received his schooling here.

He was united in marriage to Miss Mollie Meyers September 20, 1894 who only lived a few years after the marriage. One daughter and three sons; Walter and Elmer Newby of Nortonville, C. E. Newby of Edgewater, Colo., Mrs. J. L. Johnson and Mrs. Emma Johnson of Joy Prairie, Mrs. Pearl Westhyderman of Griffin, Ind.

The remains will be brought here for burial. Services will be held from Liberty church the time to be announced later.

WITH THE SICK

Miss Clea Engel is ill at her home 415 Jordan street. Mrs. Charles L. Ranson is very ill at Our Savior's hospital after an operation for appendicitis.

TO THE LOAN SUBSCRIBERS

OF THE NEW RESERVOIR. Owing to other important meetings during the evening of March Fourth at 3 p. m., your Joint Water Committee ask that the subscribers all of whom have received notice of the organization meeting, will be on hand promptly at 7:20 p. m., so the business of the meeting can be completed in a short time and you could be able to attend other exercises at 8 o'clock if you so desire.

JOINT WATER COMMITTEE.

H. J. Rodgers, Chairman.

R. L. Pyatt, Clerk.

LIEUT. EPLER AND

WIFE BACK

Lieut. and Mrs. Earl N. Epler have returned from their wedding trip and are now at their home on South Main street. While in Chicago Lieut. Epler says they saw a number of bodies of returning soldiers and the greeting given them was very gratifying. Lieut. Epler will now go to work with Dr. Kopperl in the life insurance business.

MONTHLY REPORTS AT CITY COUNCIL

Water Receipts Show Increase Since No Discount is Allowed—City to Acquire Single Plot of Land Near Nichols Park.

Monday was the day for reading of monthly reports at the meeting of the city council and the records from various departments were read and approved. The bid of Otis Hoffman for putting in walks on certain streets where property owners have not given heed to the orders sent by the city was accepted. It is the understanding that Mr. Hoffman can make any settlement as to price that he and the property owners agree upon and that he would make a discount for cash.

Mr. Vasconcellos reported some additional trouble with machinery at the light plant, where the eccentric rod of the engine suddenly broke Friday night and it caused a change to other machinery. Mr. White spoke of some routine work in his department and said little could be done now to clean the streets because the earth is still frozen to the pavements, especially along the north sides of the streets where the sun's rays fall only a part of the day.

To Exchange Properties A revised ordinance for the vacation of that part of the Mauvais-terre street north of Washington was read. By the terms of this ordinance the street is vacated for the benefit of H. K. Snyder, who owns the lots on both sides and in exchange for which Mr. Snyder deeds to the city about one and a quarter acres of land adjacent to Morgan lake, on which ground an ice house and some other buildings have stood for a number of years.

Simeon Fernandes was present to urge the payment of his coal bill which represents coal furnished the city for a period of seven months. Mr. Fernandes said that he had about reached his limit and that his understanding was that something would be done in February. Mayor Rodgers explained that the bill increasing the taxes now before the legislature is almost certain to be passed and that whether it is adopted with an emergency clause or takes the regular course, that the city is almost certain to have funds from this source for the payment of preferred obligations of the kind to which Mr. Fernandes referred.

Officers' Reports

Reports were presented from officers for the month of February. Harry Summers, sexton of Diamond Grove cemetery, reported 16 graves made during the month of February, and John E. Pires, sexton of Jacksonville cemetery, reported a like number of graves made.

The report of R. L. Pratt, city clerk, showed receipts as follows: From Diamond Grove cemetery, \$503; Jacksonville cemetery, \$115.50; city clerk's office, \$168.50. This month's report included some license money from pool rooms which accounted for the sum being larger than the usual.

The report from Charles B. Gaff, city treasurer, showed a total of \$5,751.35 in the general fund, and in special funds the following: Diamond Grove cemetery, \$1,753.98; garbage, \$2,507.94; Jacksonville cemetery, \$829.38; park system, \$237.84; public library, \$2,648.37.

The report of W. H. Cobb, water superintendent, showed collections for the month of the following: Water rent, \$3,692.20; repairs, \$20.15; meters, \$12.50; total, \$3,724.85. This sum was larger than in previous reports because for last month's collections no discount was allowed.

Just received car of hard Chestnut coal. Delivered promptly. Harrigan Bros., either phone No. 9. 401 North Sandy Street.

WILLIAM NEWMAN GOES TO HOWARD ZAHN

William Newman, Jr., has entered the employ of Howard Zahn agent for the Buick and Chevrolet cars and will hereafter be found in the business and will make a valuable addition to the force with Mr. Zahn.

Edward Henry and wife were up to the city from Murrayville yesterday.

DR. W. D. WALKER IN NEW LOCATION

Former Jacksonville Man Now Located at South Bellingham, Wash.—Son of Mrs. Jennie Walker and Nephew of Major Dalton.

Dr. William D. Walker, son of Mrs. Jennie Walker and a nephew of Major W. H. Dalton of South Church street has written that he has changed his residence from Seattle, Wash., to South Bellingham, Wash.

Dr. Walker is one of the many Jacksonville boys who have made good in the world. He was born and reared here, graduating from the high school and Illinois College. He was in the same class with Alex McDonald, Allen Ayers, Oscar E. Hewitt and other Illinois men have made their mark in other states and in various walks of life.

After graduating from Illinois college Dr. Walker took up the study of medicine at St. Louis. He graduated with Dr. Allen M. King, Dr. William Englebach, of St. Louis; Dr. A. E. Dollear and Dr. C. E. Cole. During his work at medical school Dr. Walker specialized in eye, ear, nose and throat. After graduation he practiced for a time in Quincy, Ill. where he has since been located in the general practice of medicine.

In a recent letter to his relatives here he writes that he had accepted a position with the Pacific American Salmon Fisheries with headquarters at South Bellingham, Wash., at a salary of \$3,000 per year with residence for himself and wife.

The many friends of Dr. Walker in this city will be glad to learn of his preference.

BENEFIT FREE KINDERGARTEN
One of the best amateur entertainments ever seen in Jacksonville. Adm. 50c, Music Hall, I. W. C., tonight 8 o'clock.

WILL GIVE PLAYS FOR THE KINDERGARTEN

One of the organizations in the city which is continuously doing an excellent work and in some what unobtrusive way is the Free Kindergarten. For years the kindergarten, managed by a board, has gone ahead providing care and educational direction to the children of the city who have thereby permanently benefited. The kindergarten is maintained thru its hold upon the public interest. The subscriptions are not enough to pay the regular expenses, although the directors proceed along the most economical lines, and but for the generous way in which the teachers and assistants serve the enterprise would indeed have a hard time.

Just now in order to meet an emergency and provide additional funds the directors have arranged for the presentation of a group of plays by members of the faculty of Illinois Woman's College. Two of these plays have already been presented to a limited audience, and those who were present can testify to their interest and value. The three one-act plays will be given at Music hall at the college Tuesday night at eight o'clock. Tickets are 50c and those who purchase are assured that they will have an evening of real dramatic interest and at the same time will be adding a most worthy cause. Tickets may be obtained at the J. P. Brown music store, A. R. Taylor's grocery store and at the Insurance Agency of Service, corner Third and East State streets.

WILL MEET THURSDAY

The regular monthly meeting of the Women's Missionary society of First Baptist church will be held at the home of Mrs. Alex. Rabjohns on Prospect street Thursday afternoon at 2:30 o'clock. It will be a tea meeting and a large attendance is desired.

WILL WEGEHOF BUYS AN OAKLAND 6

William Wegelhof of Concord drove home yesterday in an Oakland Sensible Six, from the garage of J. F. Claus.

LUTHERANS PLANNING ENDOWMENT CAMPAIGN

Expect to Raise Endowment of \$3,000,000 for Care of Retired Ministers, Teachers, Their Widows and Children—Meeting Held Here Monday.

At a meeting held at Salem Lutheran church Monday preliminary plans were made for raising the quota of the Lutheran church in central Illinois of the \$3,000,000 endowment fund for the care of retired ministers, teachers, and their widows and orphans.

The session was held at the church in the morning with forty representatives present from the congregations in the Quincy, Illinois-Valley conference which embraces 29 churches.

The movement is being fostered by the Lutheran Laymen's league of the Evangelical Lutheran churches and meetings were held all over the United States yesterday in the interest of the movement. The opening of the campaign to raise the fund will be on March 20 and it will close on April 9.

At noon the representatives adjourned to the Batz cafe where they had dinner and the sessions were completed there. George Harms of Peoria a representative of the Lutheran Laymen's League was present and explained the plans for raising the funds.

It is proposed to ask Lutherans to give ten per cent of their Liberty bonds, of which they purchased thruout the United States \$85,000,000, to the fund. The quota for this district is \$230,880. Those who attended the session here were enthusiastic over the movement and all expressed confidence that there would be no difficulty in raising the required quota in this district.

BENEFIT FREE KINDERGARTEN
Faculty of I. W. C. presents three one-act plays—Music Hall, I. W. C., tonight 8 o'clock.

CHAMINADE MUSIC CLUB

The Chaminaide Musical Club met Monday afternoon at the home of Mrs. Edgar Martin on Sandusky street. A most interesting and brilliant program of selections from the work of noted Italian composers was rendered as follows:

The Garibaldi National Hymn
..... Alessio Oliveri
Club Chorus.
Overture "William Tell". Rossini
Mrs. V. B. Vasey, Miss LaRue.
(a) Butterflies. Gustave Ferrari
(b) "Twas in the Merry May-Time" A. Bimboni
Miss Edgar Martin.

Burletto, Op. 52 No. 3
..... Mrs. Charles Wolke.
(a) Twilight Dreams Sibella
(b) From the Depths. Campawa
Mrs. Chas. Hopper.

(a) Vecchio Minuetto
(b) Marche from Fogli Volanti
..... Sgambati
Mrs. F. L. Haigrove.

(a) The Rose and the Flame
(b) Blind Girl's Suzz-Pecchia
(c) "Giroconda" Ponchielli
(c) Valse from La Boheme
..... Puccini

Mrs. E. D. Canatsey.
Intermezzo Sinfonico from "Cavalleria Rusticana" Mascagni
Mrs. Homer Potter.

Overture "Susanne's Secret" Wolf-Ferrari
Mrs. E. D. Canatsey.

NORTONVILLE

The Young Blood Baptist church served lunch at the Jesse Vedder sale Thursday and did exceedingly well in view of the inclement weather.

Mr. and Mrs. Ed Lumsdon have returned to their home and are ready for work again.

Mrs. Bertshel of Jacksonville has employed Curtis Kelly to buy cream, chickens and eggs here at Nortonville at the miner building and will be ready by the latter part of next week.

Oliver Wilson will have a sale Saturday afternoon, selling his household goods.

Henry Whitlock has been on the sick list.

Fletcher Seymour of the south part of the county traveled to town yesterday.

MARCH FIRE RECORD STARTS WITH RUSH

Several Alarms Sunday and Monday—Lacey Property Badly Damaged.

March started off with a rush for the fire department. Since the month started three alarms had been received up to 2 o'clock Monday afternoon.

The first one came at 4 o'clock Sunday afternoon from the residence of Dr. Josephine Milligan. Fire started in the roof by sparks from a chimney. Harrison King who lives near the Milligan property extinguished the blaze with a hand fire extinguisher before the arrival of the department. The damage was slight.

At 7:40 o'clock Sunday evening the department was called to the residence property at 942 South Clay avenue. The property is owned by the Lacey estate and occupied by Jud Cogswell. The family had gone out to spend the evening and it is thought that a lamp which had been left burning exploded and started the blaze.

Harold Wright who just purchased the Whitlock grocery and meat market first smelled the odor of burning wood. He thought it might be the store building and started to investigate. He saw fire falling thru the first floor into the basement of the Cogswell house and turned in the alarm.

There was considerable damage to the house which is fully covered by insurance. The furniture and other contents were badly damaged by fire, smoke and water. Mr. Cogswell carried \$800 on the contents which probably will cover the loss.

At 1:45 o'clock Monday afternoon an alarm was sent in from the W. S. Cannon Produce company, 222 North Sandy street. Some mischievous boys had stuffed paper in a downfall and set fire to it. The downfall contained some tar and the flames followed the downfall to the roof. Aside from the damage to the downfall caused by the melting of the solder and a small hole cut in the roof by the firemen, no damage resulted.

ASHLAND W. F. M. S. TO MEET THURSDAY

Excellent Program Arranged for Meeting at Home of Misses Bearick—Soldier Boys Return Home—Residence Property Sold—Other Ashland News.

Ashland, March 3.—Three more Ashland soldier boys have returned home. They are John McCombs, Roscoe Daniels and Chas. Volsmier.

The Woman's Foreign Missionary Society will meet Thursday, March 6 at 2:30 p. m. All are invited to attend and enjoy the excellent program that has been prepared.

Miss Alice Foley, who has been spending the past few months in Ashland, has returned to her home at Waco, Texas. Miss Foley is a niece of M. J. Murray of the State Bank.

Fred J. Walter of Pleasant Plains and Miss Lorraine Jones of Ashland were married at the Trinity Evangelical Lutheran church in Springfield, Rev. Frederick Brand officiating. They will reside on a farm near Modesto.

Mrs. E. M. Groce shipped her household goods to Clayton, Ill., last Monday, where she will reside in the future.

Henry Henn and family living north of town, have moved to Ashland to reside.

Miss Mina Hynes, has sold her residence property in Ashland to Mr. and Mrs. John Milstead, who will occupy the same in the near future. Ashland is glad to welcome these good people in our midst.

Miss M. E. Spears was in Chicago last week buying her new spring stock of hats.

Miss Mae Spears has returned to her home in East St. Louis.

Charles Koontz has been on the sick list the past week.

Miss Mina Hynes of Beardstown visited friends here the past week.

A. H. T. A. NOTICE
Members whose dues are unpaid are out of protection after March 1st.
J. K. LONG, Fin. Sec'y.

DR. HARKER GLAD TO SEE UNITED WORK

Mayor Rodgers has received the following letter from Dr. J. R. Harker, who is in Chicago:

Feb. 28, 1919.

Dear Mr. Rodgers:

I thank you for your letter today. You men are doing fine. I'm sorry I'm not there in this campaign with you, but you don't need me. It is clear the issue is going to be over-subscribed. What a joy to see Jacksonville get together. We can do anything if we only get together. Yes, go ahead, advertise for bids, make sure the options on the land, organize your corporation, start condemnation proceedings, and everything else necessary so you get the water. Organize a fishing club too. Will have one of the most beautiful lakes in Illinois, a great show place for the city. I can already see nearly everything Jacksonville has been wanting for so many years. Just "keep on a keepin' on!"

Sincerely,
Joseph R. Harker.

ARRIVED IN NEW YORK.
Mrs. Clotella Taylor received a card from her father, Corporal Walter Burl Taylor, Co. E, 25th field signal battalion, stating his safe arrival in New York and will be home soon.

SPENT SUNDAY AT SPRINGFIELD

Muriel E. Cain very pleasantly spent Sunday in Springfield visiting Miss Alma Phell. Miss Phell formerly resided at Concord.

CORONER'S VERDICT IN WAYMAN SHOOTING

Find That Mrs. Wayman Came to Death by Gun Shot Wounds Inflicted by Mrs. Mabel Austin—Testimony of Number of Witnesses Heard.

That Mrs. Eunice Wayman came to her death by gun shot wounds inflicted by a revolver in the hands of Mrs. Mabel Austin was the verdict of the coroner's jury after hearing the evidence in the case Monday.

The jury which was composed of James H. Hall foreman, W. J. Brown, Frank Garrett, J. A. Crum, Edward Landreth and Ira Patterson heard the testimony of the witnesses in the circuit court room in the court house. The hearing occupied most of the day and all of the witnesses except Dr. J. W. Haigrove were from White Hall.

Dr. J. W. Peak of White Hall who was called immediately after the shooting was the first witness. He told of being called to the Singleton store to attend Mrs. Eunice Wayman. He found her lying on the floor and examination showed two bullet wounds, one in the abdomen and one thru the right shoulder which penetrated both lungs. He said that her wounds were so serious that he had her removed to Jacksonville to Passavant hospital. He said Mrs. Wayman was conscious when he called and told him that Mrs. William Austin had shot her. When asked if she wished to make any statement she said she was not guilty of any crime but that was the only statement she would make.

Did Not See Shots Fired.

John Singleton proprietor of the store in which the shooting occurred testified that he was in the back of the store at the time waiting on a customer. Witness did not see the shots fired but heard the reports. He heard Mrs. Austin ask if Mrs. Wayman was in the store. Mrs. Wayman had been in about five minutes before and a clerk was waiting on her.

After the shots Mr. Singleton said he came to the front of the store and saw Mrs. Wayman lying on the floor. Mrs. Austin was standing at the front door and in response to a question as to what we were to do said she "didn't care what we did."

Was Waiting on Victim.

Otis Shanklin clerk in the Singleton store was waiting on Mrs. Wayman when the shooting took place. Mrs. Wayman entered the store and was buying cabbage. Mrs. Austin entered shortly afterward and pulled a revolver and pointed it at Mrs. Wayman. She said "Damn you, you broke up my home last summer but you won't this."

Mrs. Wayman fell to the floor at the first shot and Mrs. Austin then fired another shot at her. The weapon looked like a .38-calibre revolver. Witness said he saw Mrs. Austin come into the store. After shooting occurred saw revolver in her hand. She asked the Wyman woman why she didn't speak. Mrs. Wyman seemed to be conscious as she lay on the floor.

Kenneth Smith Saw Shooting.

Kenneth Smith of White Hall a mechanic had stopped into the store to wait for a Burlington train. Saw Mrs. Austin come in and as she stepped inside the door she addressed Mrs. Wyman, saying, "Are you Mrs. Wayman." Upon receiving an affirmative answer Mrs. Austin drew a revolver from her muff and said "Answer to that," fired at Mrs. Wayman who dropped to the floor. A second shot was fired as the woman lay on the floor. Witness said the Austin woman was so close to him when she fired that her hand touched his ear. Witness left store immediately after shooting.

Dr. Haigrove Describes Wounds.

Dr. J. W. Haigrove who attended Mrs. Wayman at Passavant hospital described the wounds for the jury. One bullet entered the abdomen. The other entered the right shoulder. It penetrated the tip of the right lung and the center of the left lung. The bullet which struck the abdomen did not penetrate the abdominal cavity.

ON FURLOUGH

Ensign Karl Hill is home for a visit of ten days with his parents Mr. and Mrs. John Hill of this city. The young man holds the important position of ensign which he has earned by devotion to study and duty. He makes a fine appearance and seems every inch an officer. He is here from Pelham Bay, New York, in the U. S. and R. F., and expects when he returns to be assigned to a ship and put to sea on a cruise.

Caswell and Martin Lamkuecher were city callers from Ashland yesterday.

ENEMY OF MAPLE TREES

A lady yesterday called attention of a Journal reporter to the presence of oyster shell scale on maple trees in the city. She says their presence is in danger of killing the sapling trees so highly valued in the city and the matter should have attention.

WILLIAM LONERGAN HOME

William Lonergan of Murrayville was visiting city friends yesterday. He has recently been discharged from the service at Camp Taylor, where he served in the quartermaster's department with credit to himself and the cause.

Hudson Super-Six Initiative

Leads Motordom

Hudson leadership first won recognition on the speedway. But its present position does not depend on its unparalleled records in continental runs, or endurance tests, or its climb up Pike's Peak.

Hudson Super-Six leadership is not based on its records in these feats alone. Super-Six leadership is the result of solid, satisfactory, daily service.

In the hands of 60,000 exacting and satisfied owners, it has won its chieftainship. The confidence which they have learned to hold in Hudson Super-Six performance has made it the largest selling fine car in the world.

Hudson Always a Pattern Car

And behind Hudson Super-Six leadership there is one fundamental cause—initiative. Its initiative in mechanical design has changed the whole trend of all motor construction.

Hudson Super-Six initiative in body design brought forth the Sedan, Cabriolet, Touring Limousine, Town Car, and Phaeton, popular models that rivals have adopted.

For so long has Hudson pointed the way in body styles that its newest design is awaited in motordom with the same interest as the latest Paris creation is awaited by the world of fashion. The latest Hudson model always forecasts the body styles of a year hence. No car remains in vogue longer than the Hudson Super-Six, for it sets the vogue.

The few open car models that are in the hands of the dealers are fast disappearing. Present demand is taking the output of closed cars, of which there are five types. Full production will not be resumed until June. If you want your Super-Six for next spring you must act quickly.

RESTORATION IS AMERICA'S CHALLENGE

Percival Chubb Tells Audience: 'We Should Still Conserve—Physical Education of Masses Physically and Morally.'

A fine audience filling the auditorium nearly to its capacity gathered at the Congregational church Sunday evening to hear an excellent address by Percival Chubb, of St. Louis, on Conservation and promise of a richer and simpler life. Some fine community singing preceded the lecture after which the speaker said in part:

Restoration is a problem fit to try the soul of America. It is the great challenge which America must meet at the close of the great conflict in which we have won. It is pitiful to contemplate a person who has been through a great experience and has not been changed. Now the question is: what will America gain by the great war? Will she fail to get results? I confess to being shocked by the remark of an Englishman who said, concerning a poem by Howell:

'One would have supposed that the literary result of the great Civil War in America would have been more than a poem on the

For Itching Torture

There is one remedy that seldom fails to stop itching, relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, blackheads in most cases, give way to zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

The E. W. Rose Co., Cleveland, O.

LIFT OFF CORNS!

Apply few drops then lift sore

touchy corns off with fingers—No pain!

Doesn't hurt a bit! Drop a little Freezone on an aching corn. Instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

separation of two lovers."

What deep impressions on our literary life did that awful conflict make aside from a few sayings of President Lincoln and some few things written regarding him? And some scant writings of Walt Whitman?

War's Ennobling Influence.

Surely that should not happen again. Today we see how the boys are returning from the war and at once dropping back into the old ruts as usual; but how about us? That depends on the way the war has eaten into our souls. We have passed through a great tragedy; in many respects it was an ennobling of souls. We should select the finest things done in the war and carry them on to something better. We were called on to do wonderful things and should have done more. It was fearful to contemplate the illiteracy of tens of thousands who couldn't read and understand the orders issued to them. The census of 1910 told us but we didn't heed it. Think too, of the tens of thousands rejected for bodily infirmity, and the many more bent uncouth, ill-shapen but received and how soon the army drill and regulations wrought almost a miraculous change.

A foreigner once remarked that we are a songless people. This shows something wrong. The army camps have done much to remedy this defect and we are becoming more and more a singing people. We need education in manners; cleanliness; moral is necessary for genuine morale. Our soldiers sang in the camps; cantonments; dug-outs, march, even going into battle and it was a grand force in giving them courage and sustaining their spirits. Shall we let them fall back into their old ways? Shall we let them sing merely on street corners or not at all?

There is the matter of foods. What have we done in the way of conservation there? What have we done to understand food values and what have we learned in the art of economy? There are values in the slightest things. We were not accustomed to economy in food. We had an abundance and wasted extravagantly. We don't like to sentimentalize. In olden times it wasn't enough to have a knife that would merely cut. It had to have a decorated handle.

Anything made had a super value. We may cultivate a beauty in fruits, grains and the like. We are too much in the habit of taking a quick lunch as something not to be enjoyed at leisure but hurried down as fast as possible. In olden times it was the beautiful custom to stand and sing grace before and after the meal. The Great Teacher told of the bread of life; the water of life. The really rich life is the simple life. A great artist gives a noble handling to small things.

Waste Is Obnoxious.

Waste is especially obnoxious, and even wicked. When any one is in need, Ruskin said it was wrong to dress in expensive garments when there were thinly clad. Waste ignores human values. During the late war many took the substitutes they were obliged to buy with other goods and threw them away because forsooth they didn't like them. Rye flour, oat meal and many things were thus consigned to the waste heap. It cost human effort and sacrifice to produce those things. The extravagant feasts the millionaire gives; his costly clothing are wasteful waste without an estimate of the human value placed in them.

Fish represent the lives of men worn and lost in taking them. I once crossed the ocean when the sea was calm and the passengers all greatly enjoyed the journey. But before the vessel left Liverpool there was a strike of the stokers and others were secured in their places. They were not accustomed to the heat and drudgery of the furnace room and to them it was hell. Some leaped overboard to escape the ordeal, but none of the passengers knew what the trip cost. When we waste coal or many other things we are wasting that which costs human life and effort.

Economy eliminates non-essentials. There is a sharp distinction between owning and possessing an article. If I appreciate and enjoy what I own I possess it. If I have books or pictures which I do not appreciate and enjoy I do not possess them. On the other hand I may have works of art which I do possess and my neighbor may have some too. Then if we exchange for a time we both possess both.

Should I Use Things Aright.

We should have on our walls what expresses personality. Do not many things become dumb to us? Emerson said "My neighbor owns broad acres but I possess." So we do not need great possessions if only we can use aright what is in our reach.

DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back, or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size \$2.50.

We should extract beauty from simple things. It was in this that the Greeks excelled in the zenith of their fame and power.

A man said of America that our civilization was permanent indigestion. We are perpetually after something new and are never satisfied. Because we have speeded up so much in the past shall we continue it? We should be able to say we have turned a new page in our history, and if we fail to do so it will be a shame to us.

Replying to questions. The returning soldiers should be entertained as far as possible in a wholesome manner. I favor peace conscription rather than military. The young men also should take a hand in the work also.

I think there has been some improvement in the quality of our literature since the great war but not very much yet.

There has been too much relaxation since the war. While it was in progress we were keyed up by it but we are letting down too much. The armistice is not an actual end of the conflict and we have great need of economy and conservation yet. The battle now is against extravagance, ignorance, immortality, intemperance, a challenge is now to the people of the land to rise and do valiant battle for the right.

Considerable is being done for the returning soldiers in the way of securing employment but this should not rest wholly with the government but with each community.

There has been too much stress on the essentials, so to speak; too much conservation of material things to the exclusion of the others. We need now more Marys and fewer Marthas.

I do not believe in universal compulsory military training. I think we can accomplish the desired objects in a better way. I think Lowell's recession is a noble product of the Civil War and meant to refer to it when I mentioned the sayings of Lincoln and what had been written about him.

NOTICE TO TAXPAYERS

The tax books are now in the collector's office and is a judgment against all parties mentioned therein.

Parties paying on personal tax only, should pay the same promptly and avoid trouble and expense in collecting same. The judgment reads as follows: In case any person named in said books shall neglect or refuse to pay their personal tax you shall levy the same by distress and sale of goods and chattels of such person. Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying through the banks, leave your old receipts with your bank as soon as possible.

MANCHESTER R. N. A. HELD ANNUAL DINNER

Fifty Members and Guests Enjoy Event in Weis Hall Friday Evening—High School Society Entertained—Other News Notes

Manchester, March 1.—Members of the Royal Neighbor lodge held their annual dinner in the Weis hall Friday. A sumptuous dinner was served at noon after which the following program was rendered:

Vocal duet—Mrs E. O. Hess, Mrs. Jessie Drennan.
Reading—Mrs. G. Brown.
Talk—David Greenwood.
Reading—Opal Roe.
Reading—Mrs. Leighton.
Reading—Mrs. Edith Hudson.
Song—Ruth Seal.

About fifty members and guests were present and a pleasant time was enjoyed.

The Philomathian literary society of the high school entertained the Ciceronian literary society at the home of Miss Nellie Smith Friday evening. The evening was pleasantly enjoyed with games and music. Refreshments were served consisting of oysters, celery, pickles, doughnuts and coffee. C. H. Griffiths acted as toast master and toasts were given by Freeman Grant, Paul Lashmet, Harry Wilson, Edna Peters and Miss Mary Sullivan. A pleasant evening was enjoyed by all present.

Mrs. Margaret Drennan passed away at the home of her daughter, Mrs. Margaret Kincaid, in Roodhouse Wednesday, aged 76 years. She was the mother of Mrs. C. S. Heaton of this place.

AGED VIRGINIA WOMAN CRITICALLY ILL

Mrs. Jean Reid Reported in Serious Condition—Decker & Logue Sale Held Saturday—J. J. Wilson and Miss Margaret Black Married Recently—Other Virginia News.

Virginia, March 3.—Mr. and Mrs. Warren Sudbrink are the parents of a daughter born Feb. 22nd at a Springfield hospital. Mrs. Sudbrink will be remembered as Miss Georgia Parkhurst.

Rev. T. C. Grigsby, pastor of the Nazarene church, is attending a ministerial meeting in Chicago this week.

Harry Sinclair shipped a load of fat cattle to Chicago, Wednesday. Mr. Sinclair and W. H. Way of this city accompanied the shipment.

Owing to illness Mrs. C. E. French was unable to attend the funeral of her mother, the late Mrs. Angeline James, whose death occurred Thursday of last week at the family home in Hazel Green, Ky.

Among the Monday Springfield visitors were Mr. and Mrs. Earl Smith and children, Mr. and Mrs. John Doolin and Mrs. O. Collins.

Howard Farar, and bride of Beardstown are spending a few days at the home of Sheriff and Mrs. Farar in this city.

The illness of Mrs. Jean Reid has reached a critical stage and members of her family have been summoned to her bedside. Mrs. Reid is known as Cass County's

centenarian, on Nov. 9, 1918 she celebrated her 101st birthday.

The Ladies Missionary Society of the Church of Christ will meet with Mrs. Nettie Virgin, Tuesday, March 4.

The marriage of Mr. J. J. Wilson of Melvern, Ia., to Miss Margaret Black was solemnized Saturday afternoon at 4 o'clock at the home of the bride's parents, Mr. and Mrs. John Black.

The wedding was attended by a limited company of near friends and relatives of the family. Mr. and Mrs. Wilson will reside in Melvern, Iowa, and will have the best wishes of their many friends.

A picture show Rich man-Poor Man, with Marguerite Clark, will be given at the Tureman opera house Tuesday March 4, for the benefit of Junior class of the Virginia high school.

Marriage licenses issued this week are as follows:

Chas. DePew of Rushville and Miss Mary Rayburn, Beardstown; Howard Kenney, Beardstown; Nelle Dawson, Saldora; R. H. Roegge Meredosia, Dena Lovekamp, Arenzville; Harry Smalley Ashland, Pearl Jennings, Ashland.

Horace Biddlecome who is employed near Shreveport, La., is the guest of his family in this city.

Miss Mabel Ross has resigned her position as stenographer in the real estate and insurance office of V. E. Robertson, Miss Ione Simmons will fill the vacancy.

Jesse Decker purchased an 80 acre tract of land south of town from A. G. Lorte, paying \$250 per acre.

Decker & Logue held a horse and mule sale Saturday, when 75 head were on sale at their stock barns in this city.

Messrs. Crum and Campbell were the auctioneers. There was a good attendance and the bidding was spirited.

President Wilson is apparently the Ban Johnson of the League of Nations.

Will the players in the League of Nations be subject to the reserve clause?

This doesn't seem at all like a political campaign. We haven't seen even a candidate's card, much less one of those awful cigars that candidates used to give to their enemies and friends alike in the olden days.

President Wilson in his Boston speech refers to "The fighting blood that is in me." This sounds strange coming from the man who was too "proud to fight" in 1915.

Perhaps the president absorbed some of the belligerency of the western battle front during his visit to Europe.

William J. Butler and John A. Wheeler were nominated for commissioner at the primary in Springfield last Tuesday. These two men seem to be standing candidates for any office from governor down to constable.

It is a great relief to us to know that steps are being taken to get an adequate water supply for Jacksonville. Indications are there will be a large increase in the amount used after July 1st.

And speaking of this we understand that the words, wine, beer and whiskey are to be eliminated from the dictionaries after that date.

ALEXANDER.
J. B. Corrington and daughters, Misses Mamie and Dovie, spent Saturday in Jacksonville.

Mrs. George Cobwell was a Springfield visitor Saturday.

Mr. and Mrs. J. T. Little are spending Sunday with Mr. and Mrs. James G. Strawn in Jacksonville.

GREENE COUNTY AIDED
GOOD ROADS CAMPAIGN

Highway Improvement Association Sends Formal Recognition of Services of Greene County Committee—New Chapter in Sutton Estate Matter—Other White Hall Notes.

White Hall, March 2.—C. A. Buckel and R. E. Pearce, respectively, president and secretary of the campaign committee for Greene county in the interest of the \$50,000,000 road bond issue, have received from the Illinois Highway Improvement Association a recognition of services in the form of a document for framing, bearing the following wording: "Honor Award for cooperation of high merit in the successful campaign for approval by the people of Illinois of the \$50,000,000 good roads bonds issue, 1918." That the Greene county committee did effective work in the campaign is shown in the fact that every voting precinct in the county produced a hand-some majority in favor of the bonds.

Another chapter in the efforts of White Hall heirs to secure an

GREATER STRENGTH
Fewer Spoonfuls

BIGGER SAVINGS

The value of baking powder is based on its leavening strength. You can't judge it by the size of the can—or by the amount you get for your money. You must estimate it by the amount of baking powder used in each baking and the results you get.

GALUMET

is the greatest value ever offered in Baking Powder—it has greater raising "force"—it goes further than most of the other brands. You use only a rounded or heaping teaspoonful where others call for two teaspoonfuls or more.

But Baking Powder is not all you'll save when using Calumet. You save baking materials. Calumet never fails. The last level teaspoonful is as powerful as the first. Calumet is perfectly manufactured—keeps perfectly—and is moderate in price.

You save when you buy it—You save when you use it.

One trial will satisfy you of these facts—and demonstrate beyond doubt that "Calumet spells economy."

Your grocery sells it on a guarantee of money back if you are not pleased with results.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

This is the Stove Polish YOU Should Use

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shiniest of four times as long as ordinary stove polish. Used on stoves and sold by hardware and grocery dealers.

All we ask is trial. Use on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish. Made in liquid or paste—no quality.

Black Silk Stove Polish Works
Sterling, Illinois

Use Black Silk Air-Drying Iron Soap. It on grates, registers, stove-pipes. Prevents rusting. Use Black Silk Metal Polish for silver, nickel or brass. It has no equal for use on automobiles.

at eleven cloudy days. There was sleet on the 13th and 20th, but not sufficient to cause damage.

The condition of winter wheat continues to be in what is declared to be the most promising ever known.

The Methodist Centenary.
Two weeks of special meetings in the interest of the Methodist Centenary closed Friday night with an address by Rev. C. W. Caseley of Winchester. These meetings were designed to further interest in Methodism, and were not of the revival character, and they more than fulfilled all expectations. Pastor Howard was assisted by Rev. E. A. Hedges of Belleflower, and an orchestra and men's chorus. Previous to these special meetings the church observed stewardship of prayer, time and life service, and next Sunday will be considered the stewardship of means, this Sunday being a continuation of the special meetings. A sub-district conference was held Friday, representing nine churches, and it was decided to hold a ree nightly meetings at each charge, each meeting to be conducted by three preachers. The conference was attended by Revs. Tuppington of Roodhouse, Peters of Manchester, McGhee of Murreysville, Casley of Winchester, Moore of Berdan and Hostetter of Greenfield. They decided to hold the group meetings next week.

White Hall News Notes.
Frank Glenbo, for a great many years a barber at Carlinville, died in St. Louis early Saturday morning following an operation in a hospital. His wife is a daughter of the late E. C. Cornett, and she and the two daughters have resided at White Hall practically all the time that Mr. Glenbo has been at Carlinville. His age was about sixty years. The remains were brought to White Hall for burial with services in the Methodist church Wednesday afternoon.

Miss Mary Carr is in receipt of a box of oranges from her sister, Mrs. S. K. Smith of Wauchula, Florida, who was formerly Miss Irene Carr. The Smiths have been cultivating an orange grove in Florida for the last few years, where they spend the winter months. Their home is now Britain, Penn.

BALLOT COLORS
Notice is hereby given that in the coming primary election March 11, that the Republican party ballot will be on yellow paper and the Democratic party ballot on pink paper.
R. L. Pyatt, City Clerk.

BOARD MEETING TODAY.
The regular monthly meeting of the Board of Old People's Home will be held in the parlor of the home Tuesday afternoon. The property adjoining the home on the east is recently been leased and will serve as an annex to the home to provide in a small way for the old people for admittance into the home. Plans for the opening of this annex will be made at this meeting and all members are urged to be present.

HELP THE KIDDIES
Free Kindergarten benefit Tuesday evening, March 4, at 8 o'clock. Music hall, L. W. C. Three acts plays, each one worth the price of admission. Tickets 50c.

CAUGHT ANOTHER TERRIBLE COLD?
Relieve it quickly—**Dr. Bell's Pine-Tar-Honey**
Don't say you're to let it wear itself out. It's just as liable to become chronic. And then—
The balsamic ingredients of Dr. Bell's Pine-Tar-Honey help to soothe the tickle, the healing ingredients help nature to scatter the phlegm-congestion, and a happy, comfortable relief soon follows.
Coughs due to grime, bronchitis, and asthma also are relieved. And at a very trifling cost for Dr. Bell's Pine-Tar-Honey is very economical. Try it. 50c, 60c and \$1.20.

Dr. Bell's Pine Tar Honey for Coughs & Colds

Be a Joy-Walker, "Gets-It" for Corns

2 Drops, 2 Seconds—Corn Is Doomed!
When you almost die with your shoes on and corns make you almost walk sideways to get away from the pain, take a vacation for a minute or two and apply 2 or 3 drops of "Gets-It" for Corns.

"My Corns Peel Clean Off With 'Gets-It'"
of the world's magic and only genuine corn-peeler. "Gets-It" Then, and then only will you be sure that your corn will loosen from your toes so that you can peel it right off gloriously. "Gets-It" is a sure thing. Take no chances of continued pain and soreness—why use greasy, irritating salves and ointments that shift and press into the "quick" razors and "diggers" that make corns bleed and also grow faster? Use painless, easy, always sure "Gets-It" There's only one like it in the world—that's "Gets-It" Millions have tried and loved it. It never fails. It's the only corn-remover, the only "Sure way," that's true. Get it at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill. Sold in Jacksonville and recommended as the world's best corn remedy by Armstrong's Drug Stores and Luby-Davis Drug Co.

WAVERLY YOUNG MAN
DIED SATURDAY

Lester Mitchell Passed Away at Springfield Hospital Following Attack of Pneumonia.
McCracken-Rodgers Wedding Occurred Saturday in Springfield—Other News Notes.

Waverly, Ill., March 3.—Lester Mitchell died at 9:30 o'clock Saturday evening, at the Springfield hospital, at the age of 19 years, death being due to pneumonia following an attack of influenza. He leaves his parents, Mr. and Mrs. Frank Mitchell, and two sisters, Eva and Cecel, who are both suffering from influenza and the mother is now a patient at Springfield hospital, where she underwent an operation a few weeks ago. The remains were brought to Waverly Sunday afternoon and funeral services will be conducted at two o'clock Tuesday at the First Methodist church, in charge of Rev. Walter Mitchell. Interment will be made in East cemetery.

Mrs. Nettie Rogers and Bert McCracken, both of Waverly, were united in marriage Saturday in Springfield at the Seventh Street Baptist parsonage. They will reside in Waverly.

Hersey Crain, who landed in New York from overseas, a few weeks ago, arrived in Waverly Saturday afternoon.

Mr. and Mrs. Ollin Allen and two children of Indianapolis, Ind., are visiting at the home of the former's mother, Mrs. Jane Allen.

Born Saturday March 1, to Mr. and Mrs. Clarence Miller, a daughter.

Mr. and Mrs. Thomas Spahnhofer of Astoria have moved their household goods here and Mr. Spahnhofer will again resume his position with the Wyle Drug Co.

WAVERLY ORGANIZES
COMMERCIAL CLUB

Main Purpose Is to Work for Good Roads — Banquet Held With 125 Men Present.

Waverly, March 1.—[Special.]—A hundred and twenty five citizens of Waverly gathered for a good roads banquet at the Methodist church last night. It was a gathering not only to boost the good roads movement but to help the home town in other ways. As a result of the enthusiasm, a Waverly Farmers and Merchants Commercial association was formed and officers elected. Following the serving of the banquet, with Mayor Fred Deatherage presiding, a number of addresses were made.

E. H. White of Springfield superintendent of highways there and president of the state association of highways, made a most informing address on the better roads movement. Then came H. C. Wilhite of Greenfield, always an enthusiast for the Burlington Way. Mr. Wilhite gave some interesting data about the Burlington Way plans and presented the various arguments in favor of the good roads movement.

Waverly men want hard roads and they also want to cooperate in every way which will bring about improvement in road conditions. They hope that they will be able to secure co-operation from Jacksonville people in providing an oiled road from Waverly to Jacksonville, which will be available this year. The commercial association organized the following officers:

President—Thomas H. Gibson.
First vice president—William Curtis.
Second vice president—Oscar A. Rohrer.
Secretary-treasurer—Fred E. Deatherage.
Executive committee—W. E. Swift, A. C. Moffet, Fred Harney, Henry Horton and Wayne Carter.

NOTES FROM BLUFFS

William Mays to Dispose of Stock and Implements Today—Martin Nash Sale Well Attended—Perry Family Returns from Hershman.

Bluffs, March 3.—Mr. and Mrs. Rollie Perry and family returned Friday evening from Hershman where they were called six weeks ago by the serious illness of the former's mother, Mrs. Frank Perry, who passed away, Feb. 20, after a six weeks' illness, aged 55 years. Funeral services were conducted from the Mt. Gilead Chapel near here on Feb. 23. Deceased had often visited in Bluffs where she leaves many friends who are grieved to learn of her unexpected death. She is survived by her husband, one son, Rollie Perry, of Bluffs, and one daughter, Belva Perry.

Mr. and Mrs. Dewey Perry who have resided here for several months, will make their home with the latter's father, Frank Perry of Hershman.

Mrs. Anson Castle, who has been visiting her son, Clifford, in Quincy for several months, has returned home for a short visit.

Mrs. Edith Lankford and children of Beardstown, are visiting her mother, Mrs. Ada Quintal. Her little son, Philip, is seriously ill of pneumonia since arriving here.

The sale of household at the Martin Nash home Saturday afternoon was well attended and the goods brought a fair price. H. D. Kilpatrick was the auctioneer.

William Mays will hold a public sale at his home, half way between Naples and Bluffs, Wednesday, March 5th, at which time he will dispose of his stock, farm implements, etc. The farm on which he resides was recently sold and after the sale he will reside in Naples for a time.

LITERBERRY

Mrs. Frank Hopkins and

HOW SOLDIER
DISPERSED ATTACKS

"For two years my stomach trouble was very bad, my doctor had to inject morphine on several occasions when I was stricken with these attacks. Since taking 4 bottles of Mayr's Wonderful Remedy I have been entirely well and am serving in the artillery, having been pronounced in perfect health by government physicians." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists.—Adv.

Energy

THE WORK OF THE KIDNEYS is to filter and cast out waste products and poisons from the blood stream. When the kidneys are overworked, weak or diseased, the waste matter remains in the system and causes pain in side or back, rheumatism, lumbago, stiffness of joints, sore muscles and other symptoms.

When a person's kidneys are out of order, there is lack of energy, force, vigor, and general effectiveness. Kidneys and bladder must properly function for anyone to enjoy good health.

Foley Kidney Pills

are prompt in action and tonic in their healing and soothing effect on weak, sore, overworked, diseased kidneys and bladder.

Mrs. Mary Henderson, Mt. Carmel, S. C., writes: "Before I used Foley Kidney Pills I was troubled with kidney trouble and my left side hurt so I could hardly get up in the morning. Pain is all gone now and I am feeling fine."
